Turning Point Recovery Centers

Pursuant to PREA Standard 115.88

Annual PREA Statistics

January 1, 2023 – December 31, 2023

Below are detailed statistics of the sexual assault and sexual harassment complaints made within the Turning Point Recovery Center (TPRC) for 2023 (January 1, 2023 – December 31, 2023). The organization continues to remain diligent in investigating allegations of sexual abuse and sexual harassment reported. The overall number of trained investigators department wide continues to grow to ensure appropriate and timely investigations are conducted in response to every allegation.

The following are detailed statistics of reported allegations, by category:
