

ARE YOU PROUD

TO MANUFACTURE

IN MICHIGAN?

**JOIN MORE THAN 1000
MICHIGAN MANUFACTURERS.**

Our goal is to support our state's manufacturers by raising awareness of Michigan's manufacturing community. If you proudly manufacture products in our state, or support and serve Michigan manufacturers, we invite you to join our free Proud to Manufacture in Michigan program!

EXCLUSIVE BENEFITS – AT NO COST!

In addition to providing Michigan manufacturers with an opportunity to join a state-wide network of more than 1,000 other companies just like them, the Proud to Manufacture in Michigan (PTMIM) program provides each member company with many opportunities for exposure and promotion.

All PTMIM members receive the following exclusive benefits:

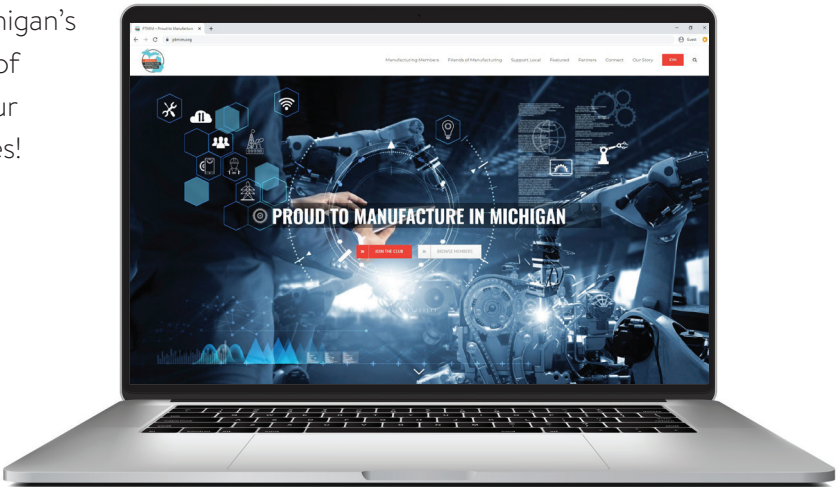

- A company profile page on our website, which increases your company’s searchability online
- An official PTMIM certificate/poster to display at your facility, along with a logo to display as you wish
- The chance to become the Featured Manufacturer of the Week, which is highlighted and celebrated on our website, blog and social media
- Exclusive discounts on select training classes at the Michigan Manufacturing Technology Center
- Networking opportunities such as matchmaking and connecting with Michigan manufacturers you wouldn’t otherwise know about
- Access to business and market assessment tools at no cost

JOINING PTMIM IS SIMPLE & QUICK

From automobile parts and precision screw machines to gas detectors and pumps, Michigan’s manufacturers create an incredible variety of products. If you manufacture products in our state, join PTMIM! It only takes a few minutes!
