## GENERAL INFORMATION

Turflo®Plus $20-0-5(25 \% \mathrm{NBN})$ Fertilizer provides recommended rates of nitrogen, phosphorus, and potassium to promote vigorous turf growth and root development in recently seeded and established turf. It contains "Controlled Release Nitrogen" which provides extended, even nitrogen release while reducing burn potential on turf.

Turflo [P l us 20-0-5(50\%NBN) Fertilizer features the following:
$\checkmark$ A completely homogenous clear liquid fertilizer
$\checkmark$ Odorless and easy to handle
$\checkmark$ Promotes moderate turf growth and root development
$\checkmark$ Provides the outstanding benefits of Foliar Application
$\checkmark \quad$ Can be used in all standard spray equipment
$\checkmark$ Mixes easily with pesticides and micronutrients in tank mixes
$\checkmark$ Economical to use

## APPLICATION

Established Turf Application - To apply the applicable rate of Nitrogen per 1,000sq. ft., use the following rates:

| 1 LB of N . | ..0.48 Gallon |
| :---: | :---: |
| . 75 Lb of N | .0.36 Gallon |
| . 50 Lb of N | .0.24 Gallon |

## TANK MIXING

On Established Turf:
Add $1 / 1 / 2$ of the total water to the tank and begin agitation.
Add recommended amount of Turfloप20-3-3 with 35 \% CRN
Add liquid concentrate materials, followed by water-soluble materials.
Fill spray tank with remainder of water and continue agitation.

## PRECAUTIONS

Do not exceed 2.0 lbs . of Nitrogen per $1,000 \mathrm{sq}$. ft. per application
Apply in water carrier at no less than 1 gallon per 1,000 sq.ft.

## STORAGE AND BLENDING INSTRUCTIONS

Use within 6 months of Date of Purchase.
Store unblended in closed container between $0^{\circ} \mathrm{F}$ and $90^{\circ} \mathrm{F}$ Dilute with water and blend with additional nutrients and pesticides only at the time of application and in the amounts recommended.

CAUTION - MAY CAUSE IRRITATION - HARMFUL IF SWALLOWED
Avoid contact with the eyes and prolonged contact with the skin. Wear safety glasses and resistant gloves. Do not store in unmarked containers.

## FIRST AID

Skin - Wash with soap and water. Eyes - Contact a physician.
Ingestion - Drink large volumes of water and induce vomiting by placing fingers or a spoon at the back of the throat contact a physician, or call the local Poison Control Center. Consult the Material Safety Data Sheet (MSDS).
