

HOW CAN THIS BE ?

Verse 1

Debtors to His majesty
Fallen from grace
Wages of sin unto death
Powerless and blind to truth
Justice prevails
Guilty indeed, no not I ?

Refrain

How can this be ? (x4)

Chorus

Glory to His name
Ever to be praised
Hallelujah, hallelujah
Alpha, omega
Glory to His name
Ever to be praised
Hallelujah, hallelujah
Alpha, omega
Of all.

Verse 2

Mystery of mysteries
Hidden in time
Prophesied through age upon age
If but that my eyes could see
All He has done
Never would I doubt His great love

Verse 3

Angels long to understand
God's wondrous plan
Jesus the Son sacrificed
Nothing can His love resist
Silenced by grace
Made alive together in Christ
