Happy New Year!

I am honored to serve as the Chair of the IAEE Central Texas Chapter, alongside a phenomenal Board, as we adjust to the changes in our industry and the world. Thank you to Dana Kirkhart, Immediate Past Chair, for the leadership this last year, as we all learned so much about our industry and working together.

There are so many things to look forward to for the Central Texas Chapter, and we, as your Board, are planning some great events and education for the year to come. I am excited for the opportunity to see/meet all of you at one of our education sessions, social events, and/or our monthly Coffee and Convos.

Thank you all for your dedication to the industry. I look forward to the year to come. Please feel free to reach out and get involved in the chapter.

SARAH KOKERNOT, CEM, CMP
2022 CHAIR

2022 Call for Education Topics

In an effort to deliver high-quality, relevant content to our members, the IAEE Central Texas Chapter is seeking suggestions for educational topics and programming for 2022.

Whether you have a fully fleshed-out proposal, an idea about a topic that piques your interest, or you'd like to be a speaker yourself. Your input will help shape content for 2022 and guide us as we develop a broad spectrum of education and networking opportunities. If you or your company would like to sponsor an education session, we'd like to hear from you as well.

Interested parties should send their proposals to **admin@iaeectc.com** by **Tuesday, March 1, 2022**. The Board of Directors will review each recommendation and determine a prioritization list for the year. Thank you in advance; we look forward to hearing from you soon!
