

REVERE HIGH SCHOOL MARCHING BAND

****Parent Informational Meeting July 31st 5:30-6pm in auditorium****

Band Camp

Band camp is such a vital time in regards to the success of a large group striving to accomplish great things in a season. We are fortunate to have camp on campus, at home, so that each night you can return to the comfort of your own bed. We are also fortunate to have the flexibility to work with other school organized groups to share time. Many schools travel away to camp and lose the flexibility and convenience of being home. That being said, treat our time during camp with the importance it deserves. Be there EVERY DAY! Communicate school conflicts and avoid out of school conflicts. Band Camp should be Productive, Tiring, and Fun!

Important information regarding band camp:

1. BE Prompt and READY to go EACH DAY!
(Early is to be on time, On time is to be late, Late is to be left out)
2. Be prepared to work with a functional instrument, a pencil, dot book, a large water bottle/jug, sunscreen, hat/cap, comfortable sneakers (no sandals).
3. Cell phones should not be a distraction during camp hours. Leave them in your case.
4. Students should have a good meal each day before coming to band.
5. Students are not allowed off campus for any reason during camp hours.
6. Bring a bagged lunch/snacks each day.
7. Proper attire is required during camp. Halter tops, bathing suits, and inappropriate messages on clothing are not permitted. Males must wear shirts at all times.
8. Have individual medications needed. (inhaler, bee sting kits, etc)
9. WATER!
10. SUNSCREEN!
11. WATER!!! Drink plenty of water every night. It takes your body 12 hours to fully hydrate itself.
