

## **Our Red Stag Free Range Hunt**

This is the most exciting and challenging hunt you will ever do, a must do, true hunter's hunt. This genuine kiwi adventure will be an unforgettable experience for those of you who come on board to share this with us!

We offer a truly wild free range hunt on a private property in the high country of New Zealand. The hunt will be thrilling, taking place in an area with spectacular terrain and amazing scenery. Our true free range red stags are likely to have 10 to 12 points, though bigger stags can also be found given the right luck.

If you are after something really big, then an Estate Stag might be for you. Let us know and we are able to arrange that for you, New Zealand offers some of the best Estate hunting in the World.

### **Fitness Levels**

We will typically be spotting and stalking genuine wild animals, which means some level of fitness is required. We do have some ability to tailor hunts to match your fitness, but there will often be early morning starts and late evening finishes, so the days are full.
