Each annual meeting of the Members of the Association following such initial annual membership meeting shall be held at the time and place specified in the By-Laws of the Association.

ARTICLE IV

PROPERTY RIGHTS

Section 1. Owner's Easement of Enjoyment. Every Owner shall have a right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to every Lot, subject to the following:

- a. The right of the Association to charge reasonable admission and other fees for the use of any facility now or hereafter situated or constructed upon the Common Area and to impose reasonable limits on the number of guests who may use the facilities.
- b. The right of the Association to suspend the voting rights and right to use the common areas and facilities by any Owner for any period during which any assessment of the Association against said Owner's Lot remains unpaid, and for any infraction by an Owner of the Association's published rules and regulations for the duration of the infraction, and for an additional period thereafter not to exceed sixty (60) days.
- c. The right of the Declarant with regard to the Properties which may be owned for the purpose of development, to grant easements in and to the common Area contained with the Properties to any public agency, authority or utility for such purposes as will benefit the Properties or parties thereof and Owners of Lots contained therein.
- d. The right of the Association by a majority vote of all of the members of the Board to borrow money for the purpose of improving the Common Area, or any portion thereof, for acquiring additional Common Area, or any portion thereof, for repairing, or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a mortgage covering all or any portion of the Common Area; provided, however, that the lien and encumbrance of any such mortgage given by the Association shall be subject and subordinate to any and all rights, interests, options, easements and privileges herein reserved or established for the benefit of Declarant or any Owner, or the holder of any mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the properties.

e. The right of the Association to dedicate or transfer all or any portion of the Common Area to any public agency, authority or utility for such purpose and subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless such dedication or transfer has been approved (i) by at least 2/3 percent of the votes which the Class A members present or represented by proxy are entitled to cast at a meeting duly called for such purpose, and (ii) by the Class B membership of the Association, so long as such membership shall exist.

f. The right of the Association with regard to the Properties which it may own to grant easements to Declarant; any public agency, authority or utility for such purposes as benefit the properties or portions thereof and Owners or Lots contained therein.

ARTICLE V

ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every person or entity who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall be deemed to have a membership in the Association. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No owner, whether one or more persons, shall have more than one membership per Lot. In the event of multiple Owners of a Lot, votes and right of use and enjoyment shall be as provided herein. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of a Lot shall be the sole qualification for membership. The rights and privileges of membership including the right to vote and to hold office may be exercised by a member or a member's spouse, but in no event shall more than one vote be cast nor office held for each Lot.

Section 2. Voting. The Association shall have two classes of membership, Class "A" and Class "B", as follows:

a. Class "A". Class "A" members shall be all Owners with the exception of the Declarant or any successor of Declarant who takes title for the purpose of development and sale and anyone holding one or more Lots for the purpose of development or sale. Class "A"

members shall be entitled to one vote for each Lot in which they hold the interest required for membership by Section 1 hereof. When more than one person holds such interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise in writing the Secretary prior to any meeting. In the absence of such advise, the Lot's vote shall be suspended in the event more than one person seeks to exercise it. If a lot is owned by a corporation, partnership or trust, such entity shall designate in writing the person authorized to vote on behalf of such entity.

b. Class "B". The Class "B" member shall be the Developer. The Class "B" member shall be entitled to votes for each lot in which it holds the interest required for membership by Section 1, Article V, provided that the Class "B" membership shall cease and become converted to Class "A" membership on the happening of either of the following events, whichever occurs earlier:

- (1) When the total votes outstanding of the Class "A" membership equal the total votes outstanding of the Class "B" membership; or
- (2) December 31, 2000; or
- (3) At such time as Developer voluntarily surrenders its Class "B" membership rights.

ARTICLE VI

COVENANT FOR MEMBERSHIP FEE AND ASSESSMENTS

Section 1. Purpose of Assessments. The assessments levied by the Association are for the purpose of promoting the recreation, scenic enjoyment, health, welfare and safety of the residents and for protecting, advancing and promoting the environment of the properties for the common benefit and enjoyment of the Owners and occupants of residences, improvements and maintenance of the common areas and other common facilities and areas of common responsibility including but not limited to repair, replacement and additions thereto, and for the cost of labor, equipment and materials, management and supervision thereof, all as may be authorized from time to time by the Board of Directors.

Section 2. Creation of Lien and Personal Obligations of Assessments. Each Owner of any Lot, by acceptance of a deed or other conveyance therefore, whether or not it shall be so expressed in such deed or other conveyance agree to pay the Association:

(a) An entering membership fee, (b) annual assessments, (c) special assessments and/or individual assessments against any particular lot, shall be established and collected pursuant to the terms of this Declaration, including but not limited to reasonable fines as may be imposed herein. All such assessments, together with interest thereon, late charges and costs of collection thereof, including reasonable attorney's fees (i) shall be a charge and a continuing lien upon the Lot against which any such assessment is made, and (ii) shall also be the joint and several personal obligation of each person who was an Owner of said Lot at the time when any such assessment made against said Lot fell due.

No Owner shall be entitled to a refund of any portion of the entering membership fee, or any annual or special assessment, or installment of a special assessment, paid by him, even though said Owner's membership in the Association terminates prior to expiration of the period covered by any such assessment or installment theretofore paid by him. No owner may avoid or escape liability for the entering membership fee, or any annual or special assessment, or individual assessment, imposed or levied pursuant to this Article VI by abandonment of his Lot or by attempted waiver of non-user of the benefits of membership in the Association, or of the Common Areas and facilities.

Section 3. Entering Membership Fee. Each home owner-occupant or entity who holds an ownership interest in a Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association within ten (10) days after first becoming a Member of the Association, and entering membership fee of One Hundred Dollars (\$100.00) to be used by the Association for the same purposes for which annual and special assessments may be levied, provided, however, that no home owner-occupant or entity shall be required to pay the entering membership fee more than once, without regard to the number of Lots in which said home owner-occupant from time to time may hold an ownership interest, and without regard to the number of times said Owner may again become a Member of the Association after said Owner's initial membership therein terminates.

Section 4. Annual Assessment. It shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated costs of operating the Association during the coming year which may include a capital contribution or reserve in accordance with a capital budget separately prepared. The Board shall cause the proposed budget and the assessments to be levied against each Lot for the following year to be delivered to the last known residence address of each member at least thirty (30) days prior to the meeting. The budget and the assessment shall become effective unless disapproved at the annual meeting by a vote of at least fifty-one (51%) of the total Association membership votes including those votes of the Class "B" member or members. Notwithstanding the foregoing, however, in the event the members disapprove the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 5. Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any calendar year, a special assessment for the purpose of defraying in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the total membership including the Class "B" members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than 30 days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors may make such special assessments payable in installments over a period which may, in the Board's discretion, extend in excess of the fiscal year in which adopted.

Section 6. Individual Assessment. In the event that the need for maintenance or repairs of the Common Area is caused through the willful or negligent act of an Owner, his family, Lessee's guests or invitees or in the event that an Owner of any Lot shall fail or refuse to maintain such Lot, or repair or replace the improvements located thereon in a manner satisfactory to the Board, or to the Architectural Control Committee, then, the Association, after approval by vote of 75% of all members of the Board, shall give such written notice of the Association's intent to provide the required maintenance, repair or replacement, at such Owner's sole cost and expense. The Owner:

shall have fifteen (15) days within which to complete said maintenance, repair or replacement, or if such work cannot be accomplished within said fifteen day period, to commence said maintenance, repair or replacement. If such Owner fails or refuses to discharge properly said obligations as outlined above, the Association shall have the right, through its duly authorized agents or employees to enter at reasonable hours of any day, upon said Lot to perform such work. The Association may levy an individual assessment upon any Lot, except as provided in Section 7 of this Article, to cover the cost and expense incurred by the Association in fulfilling the provisions of this section.

Section 7. Exemption from Assessment. The following property subject to this declaration shall be exempt from all assessments, charges and liens created herein:

(a) All properties to the extent of any easement or other interest therein dedicated and accepted by any public authority and devoted to public use.

(b) All Common Area as defined in Article I hereof.

(c) Any vacant land or Lots owned by a Class "B" member unless a Lot is occupied as a residence. Any such land or lots owned by a Class "B" member shall be maintained by such Class "B" member at such member's sole cost and expense.

Section 8. Assessment Due Dates. The annual assessment installments for each Lot shall commence on the first day of the month following the transfer of ownership of the Lot from Declarant to the Owner, and shall become due and payable on the first day of each month thereafter. The method of payment and due dates for special assessments shall be as established by the Association in accordance with Section 5 of this Article VI. The method of payment and due dates for individual assessments shall be as determined by the Board in accordance with Section 6 of Article VI. The Association shall prepare a roster of lots and assessments applicable thereto, which shall be open to inspection by any member upon reasonable notice to the Board.

Section 9. Computation. Annual and special assessments shall be charged equally against each Lot.

Section 10. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments which are not paid when due shall be delinquent. Any assessment or assessment installment delinquent for a period of more than ten (10) days may incur a late charge in an amount as the Board may determine from time to

time. The Association shall cause a notice of delinquency to be given to any member who has not paid within the ten (10) days following the due date. If the assessment or assessment installment is not paid within thirty (30) days, the Association may declare the entire balance of such assessment for the remainder of such annual period due and payable in full, and a lien shall include the late charge, interest on the principal amount due at the maximum allowable rate from the date first due and payable, all costs of collection, reasonable attorney's fees actually incurred, and any other amounts provided or permitted by law. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts or to foreclose its lien. Each Owner, by acceptance of a deed or other conveyance to a Lot, vests in the Association or its agents the right and power to bring all actions against such Owner or Owners personally for the collection of such charges as a debt and/or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein, including by way of illustration but not limitation, abandonment of the Lot.

Section 11. Subordination of Lien. The lien provided for in this Declaration shall be subordinate to the lien of any first mortgage now or hereafter placed upon the Lot subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 12. Estoppel Certificates. The Association shall, upon request of a member, at any reasonable time, furnish an estoppel certificate signed by an officer or other authorized agent of the Association, setting forth the amount of unpaid assessments and/or other charges, if any, against said member's Lot, up to a given date or time of conveyance. Also, said estoppel certificate will certify as to whether or not there are violations of the governing documents on the Lot as of the date of preparation of the certificate. Said certificate shall be delivered to the place of closing, and all outstanding

assessments and other charges, if any, and a reasonable charge, as determined by the Board, to cover the cost of providing such certificate shall be deducted from the Seller's account at the closing and transmitted directly to the Association.

ARTICLE VII

EASEMENTS

Section 1. Utility Easements. There is hereby created an easement upon, across, over, through and under the properties for ingress, egress, installation, replacement, repair and maintenance of all utility and service lines and systems including, but not limited to water, sewers, gas, telephones, electricity, television, cable or communication lines and systems. By virtue of this easement, it shall be expressly permissible for the Developer or the providing utility or service company to install and maintain facilities and equipment on the property, to excavate for such purposes and to fix and maintain wires, circuits and conduits on, in and under the land providing such company restores disturbed areas to the condition in which they were found.

Section 2. Easements for Drainage. Perpetual easements are hereby reserved on, over and under that part of Lots 12, 13, 19 and 20 as shown on the Plat of Subdivision. Said easements are maintained by the respective owners of said Lots and the existing grade and elevation shall not be altered. For a period of two years from the date of conveyance of each Lot, the Developer reserves an easement and right on, over and under the ground within that Lot to maintain and to correct drainage of surface water in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil, or to take any other similar action reasonably necessary, following which the Developer shall restore the affected property to its original condition as near as practicable. The Developer shall give reasonable notice of intent to take such action to all affected Owners, unless in the opinion of the Developer an emergency exists which precludes such notice.

Section 3. Construction Easements and Rights. Notwithstanding any provision of this Declaration, so long as the Developer or participating builders are engaged in developing or improving any portion of the properties, such persons shall have

an easement of ingress, egress and use over any lands not occupied by an Owner for (1) movement and storage of building materials and equipment, (2) erection and maintenance of directional and promotional signs, and (3) conduct of sales activities. Such easement shall be subject to such rules as may be established by the Developer to maintain reasonable standards of safety, cleanliness and general appearance of the properties.

Section 4. Easement to Inspect. There is hereby created an easement in favor of the Association for ingress and egress on any Lot to inspect such property for alleged violations of the Governing Documents, based on formal, written complaints, and/or compliance with architectural standards and/or approved plans for alterations and improvements.

Section 5. Easement for Landscaping and Related Purposes. There shall be and is hereby reserved to the Developer for as long as it retains its rights as Developer, a non-exclusive easement over all Lots and Common Areas (whether public or private) for the purpose of erecting and maintaining street intersection signs, directional signs, temporary promotional signs, street lights, entrance features and/or "theme areas", lighting, stone, wood or masonry wall features and/or related landscaping.

ARTICLE VIII

RESTRICTIVE COVENANTS

Section 1. Land Use. The properties committed to this Declaration as described in Article II shall be used for residential purposes only, and no trade or business of any kind may be carried on therein.

Section 2. Nuisances. No nuisance or offensive activity shall be permitted upon the properties as to jeopardize property values or be detrimental to the enjoyment, comfort and wellbeing of the members. Each Owner shall refrain and prohibit any act or use of a Lot which could reasonably cause embarrassment or annoyance to other Owners or occupants, and the Board shall have the power to make and to enforce reasonable rules and regulations in furtherance of this provision.

Section 3. Architectural Standards. No construction or erection of any nature whatsoever shall be commenced or maintained upon any part of the properties except as is installed or approved by the Declarant in connection with the initial

construction of buildings on the properties, unless and until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved as to harmony of external design and location in relation to surrounding structures and topography, in writing by the Board, or by an Architectural Control Committee composed of three or more representatives appointed by the Board. A land engineer of the Architectural Control Committee's choice shall approve setback of the main residence and set the grade prior to the commencement of construction. The Architectural Control Committee shall have the right to prevent the clearing of a Lot and subsequent excavation and grading prior to construction of the main residence upon such a Lot according to the following:

Prior to the construction of the main residence, a lot owner is required to seek approval of building plans through the Architectural Control Committee. The committee shall consider quality of workmanship and materials, external design, location with respect to topography and finished grades, elevations and building lines, location of driveways and walk ways and the preservation of certain existing trees and wooded areas. To comply with this requirement, each lot owner, prior to any construction on the lot, shall first submit a preliminary plan to the Architectural Control Committee stating in general the type, style, size and general design of the residence to be constructed, along with its location on the building site and the name of the lot owner's designated General Contractor. After approval in writing of the preliminary plan by the Architectural Control Committee, the lot owner shall then submit two (2) sets of the actual plans and specifications which shall include the floor plan, exterior color schemes, and materials, elevations and actual plat plan showing distances from easements and lot lines and the location of the finished grade height of the first floor. The lot owner agrees that he/she will not obtain a building permit until the Architectural Control Committee shall approve or disapprove in writing any plan submitted to it or any member of the committee within seven (7) calendar days of the actual submission of the plan.

No alterations, repairs, excavations, fences, awnings, patio cover, swimming pool, light pole or fixture, mailbox, landscaping or other work which in any way alters the exterior of any Lot or Common Area or the improvements located thereon shall be commenced, made or done on such property without the prior written approval of the Board or the Architectural Control Committee. In the event said Board, or its designated committee, fails to approve or to disapprove such construction, additions or alterations within seven (7) days after said plans and

specifications shall have been submitted to it, approval will not be required and this Article IX will be deemed to have been fully complied with.

Subsection A. No Lot shall be used except for single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot or lots or part or parts thereof exceeding two and one-half stories in height.

Subsection B. The total floor area of the main structure, exclusive of basement, one story open porches and garages shall:

4) Garages shall be attached to residence and be either two or three car in size.

Subsection C. No building, exclusive of eaves and steps, shall be located on any Lot nearer to the front Lot line or side line than the minimum building line shown on the recorded plat of subdivision, and nearer than seven feet to any interior lot line.

Interior lot lines as used herein mean the lot lines having no street frontage shown on the recorded plat of said subdivision, except when a single tract in said subdivision consists of more than one lot contiguous to all or part of another lot with the ownership of all of such tract in common, then the exterior lines of such tract that has no street frontage shall be considered to be the entry or lot lines for all of such tract.

Subsection D. No residential building shall be permitted to remain on any lot or lots or parts thereof, having an area of less than 10,000 square feet, or width of less than 80 feet at the front building line, shown on the recorded plat of said subdivision.

The gradeline of any lot shall be maintained to correspond with that of surrounding property. All grade lines will be set by the engineering company employed by the Developer prior to any construction. The scale of the lot shall not be altered so as to keep water from flowing as designed.

Subsection E. No trailer, basement, tent, shack, garage, barn or other outbuilding placed on any lot shall, at any time, be used as a residence, temporarily or permanently.

All vacant lots shall be kept free of weeds and shall not be permitted to fall into an unsightly condition. Any vacant lot which falls into an unsightly condition may be mowed and cleaned up by the Association at the expense of the owner.

Subsection F. No outside television or radio aerial or antenna, or other serial or antenna or dish or signal receptacle, for reception or transmission, shall be maintained on the exterior of any lot, living unit, or the Common Area without the prior written consent of the Architectural Control Committee.

Such domestic pets shall not be permitted to cause or create a nuisance, disturbance or unreasonable amount of noise which may affect any resident or other person on the owner's lot or must be on a leash held by a person when allowed upon the Common Area. Notwithstanding any other provision to the contrary binding, the Architectural Control Committee may adopt binding rules

and regulations from time to time pertaining to the keeping of any and all pets upon the properties (including the inside of a residential building) when the Architectural Control Committee determines such action to be in the best interest, well being and enjoyment of any or all of the residents of the Mill Creek Estates Subdivision, all plats.

Subsection I. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may become any annoyance or nuisance to the neighborhood, disturb the peace and quiet thereof, or annoy any occupant of the neighboring property.

Subsection J. No lot, or any part hereof, shall be used, either temporarily or permanently, to sell, store or accumulate used cars, parts therefrom or junk of any kind or character whatever. No owner, tenant, guest or other person shall park, store or keep on any lot or Common Area any commercial vehicle, boat or other watercraft, motor home, trailer, camper or other transportation devices of any kind; provided, however, that an Owner or tenant may park his other privately owned automobile in such Owner's or tenant's garage. No Owner, tenant or other person shall repair or restore any vehicle of any kind upon any Lot or Common Area, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility. Notwithstanding any provisions heretofore stated in these covenants and restrictions, the Architectural Control Committee shall have the power and authority from time to time to adopt additional rules regarding the parking and storage of vehicles.

Subsection K. Rubbish, trash, garbage or other waste shall be kept in sanitary containers, and shall not be stored, kept, deposited or left on any lot or any other part of the properties, except such garbage and rubbish which shall necessarily accumulate from the last garbage and rubbish collection. Sanitary containers shall not be permitted to remain in public view except on days of collection.

Subsection L. No sign of any kind shall be maintained or displayed on any lot except one sign of not more than one (1) square foot in area, identifying the occupants of the dwelling, one sign of not more than ten (10) square feet in area advertising the property for sale or rent, and signs used by contractors during the construction of any improvements thereon.

Subsection M. The Architectural Control Committee shall have the right and power to prescribe and enforce uniform mail receptacles throughout the Subdivision.

Subsection N. From time to time the Association shall adopt additional rules and amend existing rules, including but not limited to rules to regulate potential problems relating to the use of the Properties and the well-being of the residents, tenants, guests, and invites. Such additional rules may only be adopted or amended by a two-thirds vote of the Members, following a hearing for which due notice has been provided to all lot owners of record.
