WHAT ARE THE BENEFITS OF HAVING A STAINED FENCE?

When neighbors come over for a backyard barbecue or you are outside watching your kids play in the yard you want to have a visually appealing area. Start by Staining your fence with 1 of our 16 different stains! We can get your backyard looking one step closer to phenomenal!

Prolonging and Protecting the life of your fence is beyond important! A fence is not a cheap investment. That's why getting it protected right the first time is a necessity. In the long run, staining your fence with a high quality oil base stain is going to be what keeps your fence standing strong and protected for decades.

By Staining your fence your are also sealing it. Water cannot mix with oil. We will never even consider applying a paint or a water base stain due to the fact that the number one cause of damage in wood is water.

Staining your fence is also going to repel the sunlight from damaging the exterior of the wood.

WHY CHOOSE HR'S PRESSURE WASHING AND STAINING?

- We guarantee that you will receive the most outstanding service experience ever! We aren't here to provide you with the next average stain job. We are here to protect your investment and make it look awesome for years to come!
- We use the highest quality oil base stain on the market. Expert Stain by Stain and Seal Experts is what we use. It is eco-friendly and safe to spray.
- Our awesome technicians have been trained rigorously to be able to become some of the finest staining experts in Middle Tennessee. They have experience and the best training. We never send out a technician that isn't properly trained.
