New York, NY – Due to popular demand, Step Forward Entertainment announces that “Steppin’ Forward Virtually to Celebrate the Music of the Legendary Neil Sedaka” is extended through July 6, 2020. The virtual concert, designed to promote goodwill during the pandemic lockdown, celebrates the music of the legendary artist, Neil Sedaka to benefit The Actors Fund Covid-19 Relief efforts.

Presented by Robert R. Blume/Step Forward Entertainment and Pat Labez, in cooperation with both Neil Sedaka Music and The Actors Fund, the concert is available on demand at broadwayworld.com and T2Online.com.

Krystin Goodwin, TV/Film actress and Fox reporter covering Entertainment and Trending News on Sirius XM Radio serves as host.

The concert features 17 artists, in 15 performances, consisting of clients & friends of Step Forward Entertainment performing from their homes while in lockdown. All the songs performed in the concert were written by Neil Sedaka with either Howard Greenfield or Phil Cody.

Neil Sedaka leads off the concert with a special, introductory message from home.

The virtual concert is presented free of charge with optional donations to benefit The Actors Fund.

The international array of artists performing in the concert include a Lucille Lortel Award winner, a Drama Desk nominee, a Billboard chart album jazz pianist, recording artists, award-winning cabaret artists and Network TV / Film actors. In order of appearance, with the song they will be performing, are Renn Woods (You Mean Everything To Me), Justin Senense (I Go Ape), Paola Morales (The Immigrant), Denise Kara (Calendar Girl), Soara-Joye Ross (The Hungry Years), Xiaoqing (Mao) Zhang (Stupid Cupid), Emma Campbell (My Friend), Nina Martinez (Happy Birthday Sweet Sixteen), Kea Chan (Where The Boys Are), Kayla Merrow (The Diary), Mitch Week (Rosemary Blue), Pat Labez (Run Samson Run), Anthony Salvador Lewis (Breaking Up Is Hard To Do), Gloria Papin (Solitaire), Marissa Mulder and Jon Weber (Love Will Keep Us Together).

“Neil Sedaka was thrilled with the concert and the tribute our performers made to his many legendary songs that have been enjoyed by so many people over the years,” stated Robert Blume. And the Facebook fans agreed. “What a wonderful tribute to Neil,” wrote Bethann Weitzenberg. “The singers who covered his songs stayed true to his music while putting their own spin on them,” she added. “It was a very enjoyable hour – thank you!” wrote Tony Kukushima. About Neil Sedaka
Singer, songwriter, composer, pianist and author, Neil Sedaka’s impressive 60-year career ranges from being one of the first teen pop sensations of the 50’s, a tunesmith for himself and other artists in the 60’s, an international superstar in the 70’s, remaining a constant force in writing and performing presently. This is all thanks to the countless songs he has written, performed and produced that continue to inspire artists and audiences around the world.

About The Actors Fund
The Actors Fund is a national human services organization that fosters stability and resiliency and provides a safety net for performing arts and entertainment professionals over their lifespan. Through offices in New York, Los Angeles and Chicago, The Actors Fund serves everyone in film, theater, television, music, opera, radio and dance with programs including social services and emergency financial assistance, health care and insurance counseling, housing, and secondary employment and training services. CHALLENGE THE WIND
by Debra Tash (Author)
CHALLENGE THE WIND is a powerful American revolutionary War tale that dispenses a deep look at the impact of war on a family and those who come into their circle. The novel captures the souls of the audience through its powerful characterizations. However, the key to this strong historical story is the underlying theme that no matter how noble the cause war is hell on not just the combatants, but the loved ones waiting behind for news that those they cherish still live.

LAST CALL AMERICA

LAST CALL AMERICA
Last Call America - Fiction or Forecast?
By Debra Tash Available on Amazon.com
In a devastated America, life has become brutal for the citizens who are living under Martial law. The government has been dismantled and is now being run by the Homeland Security Department. The entire "United States military is also under Homeland Security's control. American Citizens are being herded into the major cities, stripped of their rights and forced to work in factories. An unlikely pair will forge an uneasy bond, first out of necessity then out of a drive to win back all that has been lost.
That cold New England morning Captain Jason Poole only wanted a hot cup of coffee while Rebecca Sanders just wanted the armed officer to leave the diner and her sister ran. Rebecca wouldn't get Poole out of her diner or out of her life and the Captain had won himself more than a cup of coffee that day.
Together they would struggle to lead a nation into revolution before the last call sounded and darkness fell.
