Wednesday Night League

You will play each team one time. You will establish your handicap on the first night of play. Your handicap will be refigured each week by adding your total scores from 18 holes of play and dividing them by two to establish a new handicap. You will play every Wednesday before 6:00pm weather permitting. If you are unable to play on Wednesday please make up your round before the following Wednesday by 5:00pm. This will allow your score to be figured and adjusted so it can be added to the current week of play. This keeps other players from having to wait for your score so they can start their round. Matches made up on weekends or holidays will be charged at weekend rates unless it is being played after 4:00pm. If you are unable to make up your round in that timeframe you will forfeit that week and your score will reflect a "0". The league schedule will be posted so you can view the teams you will be playing each week. If you work out a time before hand with that team it will cut down the time you have to wait on your opponent. If you are going to be late or need to cancel please call the golf course and let us know so your opponents can go on and play their round without waiting. Each week will have certain holes that a player can win money on but <u>to be eligible, you have to play in a foursome and only on Wednesday.</u> *Note: If you don't play on Wednesday, you are eliminating another team from being eligible for the contest hole.*

The schedule is made up the first night of the season. It is important that no one drops out once you start or it will mess up the entire schedule.

The cost to play is $15.00 for 9 holes for non-members. If you want to play 18 holes it is $24.00. Members pay only the cart fee. If you want to play a few extra holes, the cost is $1.00 per person, per hole for the cart. <u>*Please pay for your cart before playing.*</u>

WE APPRECIATE YOUR PARTICIPATION AND HOPE YOU ENJOY THE LEAGUE.
