

**HEALTHCARE**  
Practitioners Association

## OUR MISSION

**The mission of the HealthCare Practitioners Association, a not-for-profit member association founded in 2016, is to assist in improving the lives of Healthcare Practitioners and their families.**

**The association will accomplish this mission through the following activities and/or services:**

- Providing valuable information and education about their trade or profession Representing
- Health Care Practitioners interest in influencing both Federal and State legislation that will directly benefit the individuals and their families in attaining a better lifestyle, higher incomes, lower cost of health care or supplemental health benefits
- Supporting trade colleges or institutions that provide free or low cost higher education and skill training programs
- Providing scholarships or grants to members or family members who want to attend a college or trade school that will teach them a skill or trade and allow them to enter an apprentice or startup professional program
- Directing and assisting members to federal or state programs available to them that would aid in acquiring financial assistance and improving their life opportunities
- Making available health care, supplemental benefits and wellness programs that would improve their family's overall health and wellness
- Supporting institutions that educate and train skilled workers to better accomplish the demands of their workplace or profession
- Supporting the charities that are dedicated to accomplishing the same goals and mission of the association

## MEMBERSHIP REQUIREMENTS

**HPA Membership is defined as a member who is actively at work as an employee of a Health Care Service Organization or is self-employed in a related industry. Additionally, the member is deriving the majority of his/her income working in their designated skilled profession, trade, or service industry.**
