

THE PROVISION OF HEALING

A Time My Body Was Attacked With A Problem

While I gave it medical attention, with tests and an out-patient surgery, I also applied to this “fixable and temporary” problem my attention with the spiritual medicine and help I have come to know and rely upon. With the words of my mouth and the belief in my heart of healing through God’s Word, I received my provision.

Isaiah 55:11 Gives Us This Truth

“*So shall My word be that goes forth out of My mouth: it shall not return to Me void [without producing any effect, useless], **but it shall accomplish** that which I please and purpose, and it shall prosper in the thing for which I sent it.*”

The Message Translation Says It This Way

“*So will the words that come out of my mouth, not come back empty--handed. They'll do the work I sent them to do, they'll complete the assignment I gave them.”*

Sickness Is A Curse

“*Also every sickness and every affliction which is not written in this Book of the Law the Lord will bring upon you until you are destroyed*” (Deuteronomy 28:61).

Jesus Took Care Of The Curse!

According to Galatians 3:13 in the Message Translation,

“*Christ redeemed us from that self-defeating, cursed life by absorbing it completely into himself. Do you remember the Scripture that says, “Cursed is everyone who hangs on a tree”? That is what happened when Jesus was nailed to the Cross: He became a curse, and at the same time dissolved the curse.”*

So, if Jesus took this sickness and pain by taking it upon Himself, then that sickness, or any other, cannot and should not live in me. I am able to be free of it by believing and receiving that!

Doctors and medicine can both provide a pathway towards healing, but trust and actions in the words of God have the greatest and most long-lasting impact and success when we want to get our healing from the Word of God.
