Chairman Burlage called the meeting to order at 7:00 pm

Minutes from October 21, 2014, November 18, 2014 and February 11, 2015 were approved as presented.

Administrator Baker Report –

Administrator Baker gave her report from October 17, 2014 through May 16, 2015. Administrator Baker read a letter that she had received from Dave Jacobson of Dave’s Jubilee. Dave would like to donate a changeable copy sign to the Ashton Chamber of Commerce. The chamber does not own property so they would have to put the sign on city property. Pepsi will set the sign up on the property that is selected. After some discussion the commission thought it would be best to place the sign at the community center. Administrator Baker will give the commission recommendation to Mr. Jacobson. The Fremont County Library District owns that property so the chamber will have to speak with them.

Fremont County Museum –

Administrator Baker stated that a group would like to use the old city building for a museum. She has concerns because there is no parking available in front of that building. Due to driveways on both sides of the building. She thought that there may be five parking spaces behind the building. Commissioner Hogle asked if there could be a loading/unloading zone in front of the building. Administrator Baker said that maybe that would be a possibility.

Comprehensive Plan –

The commission did not go over the Comp. Plan. They will start on page 25 next meeting.
