

Minutes
Ashton Planning and Zoning Commission

July 15, 2014
7:00 pm

Attendees: Commission Members: Chairman Bonnie Burlage, Administrator Susan Baker, Ron Dixon, Doug Ervin, and Jan Warnke.

Chairman Burlage called the meeting to order at 7:00 pm

Minutes from June 25, 2014 were approved as corrected.

Administrator Baker Report - Administrator Baker gave her report from June 17th through July 15th.

Unfinished Business:

City Park – The commission reviewed a map of the city park that Administrator Baker and Secretary Warnke had prepared. The map shows how much of the park is open space and how much of the park is covered with structures and playground equipment. Each piece of playground equipment had been measured separately and the commission suggested to square it up and measure the outer perimeter of the play area. The commission also suggested to measure the pool area in the same manner.

Comprehensive Plan – After reviewing the introduction the commission would like to make some changes. The introduction states that the area was established by Mormon settlers. However there were several religions represented amongst the first settlers so the commission reworded the sentence to say, “This area was established by westward migrating settlers.” After reviewing pages 2 and 3 the commission decided to get verification from the archives on the accuracy of the information before proceeding.

New Business:
