

THE AUSTRALIAN SHEPHERD CLUB OF WASHINGTON'S RECORD OF MERIT RULES

Effective 7-1-79, revised 7-1-80, 7-1-83, 7-1-84, 11-5-89, 12-12-92, 10-1-94, 8-6-95, 5-1-96, 10-1-97, 10-1-2000

The Australian Shepherd Club of Washington Record of Merit (ROM) is a program designed to recognize those members and their dogs who excel in competition throughout the year in the belief that friendly competition, good sportsmanship, and participation in activities leads to enhancement of the Breed. The Club holds as its highest ideal the advancement of the Australian Shepherd as a sound, intelligent, working dog and toward that end, the highest award attainable in ROM is that given the exceptional dog competing successfully in the combined categories of Conformation, Obedience and Working thereby earning the title "Dog of the Year." This is a program to be proud of, as is its intent: *To strive for the perfect, versatile Australian Shepherd..*

RULES

ROM YEAR: The ROM year will coincide with the membership year. Awards will be presented at the Club's Christmas Party.

ELIGIBILITY: Only Australian Shepherds eligible for registration with ASCA and belonging wholly or in part or leased to, ASC of WA Club members in good standing will be eligible for these awards. In addition to this requirement, the dogs must be nominated by the owner to compete in the ROM program. A nomination fee of \$2.00 per dog or Junior Handler will be charged to help defray expenses of the program. Payment of this fee must accompany the completed nomination form and be submitted to the ROM Recorder with checks/money orders made payable to the "Australian Shepherd Club of Washington." The completed nomination form and fee must be postmarked within 30 days of the first event from which points are recorded. No points for ROM will be recorded until a nomination fee is received.

TRANSFER OF OWNERSHIP: Should a transfer of ownership on a nominated dog occur during the year, it is the seller's responsibility to inform the new owner of the dog's nomination. In the event the new owner is not already an ASC of WA member they must join the ASC of WA if they wish the dog to continue to be in the ROM program. It is also the seller's responsibility to inform the ROM Recorder of the transfer of ownership of the nominated dog in writing. If a dog in which a transfer of ownership has occurred should win a ROM Award, possession of the award will go to the owner at the time the award is announced. Notification to the ROM Recorder is required in the event a dog is withdrawn from ROM competition for the year. If withdrawn, a dog must be re-nominated to re-enter and start over.

TURNING IN POINTS: It is the responsibility of the owner or Junior Handler to turn in to the ROM Recorder any and all scores or points postmarked or received within 30 days of the show or trial at which they are earned or postmarked no later than five days after the end of the ROM year, whichever comes first. Scores or points may only be credited towards the ROM year in which they are earned, with exception of title points(see Titles below). Owners should check periodically during the year to ensure points have been correctly credited. To facilitate this, the ROM records shall be open to review by ASC of WA members and standings will be published in each issue of the *Aussie Print* Newsletter. No corrections will be allowed after the awards are given. If the owner or Junior Handler wants confirmation that each score sheet has been received by the ROM Recorder, it is that member's responsibility to send a self-addressed, stamped postcard or envelope to the ROM Recorder. At the end of the year, the records will be reviewed by the ASC of WA Board of Directors or their designee and upon their approval, will be final.

TITLES: All titles won will be recorded when a photocopy of the Certificate of Title or other verification from ASCA is received by the ROM Recorder. Titles must be turned in to the ROM Recorder within 30 days of receipt from ASCA.

TIES: In the event of tied scores in computing Conformation and Junior Handling awards, the award will go to the dog or handler who competed in the lesser number of shows. In the event of tied scores in Obedience or Working, the actual obedience or working trial scores will be totaled to determine the winner. If scores are still tied in any category, including *Dog of the Year* and *Junior Handling*, all the winners names will appear on the Award.

ROM RECORDER

The Record of Merit Recorder is appointed by the ASC of WA Board of Directors and accepts nominations, score sheets, and monies for the nominees in the ROM program. The Recorder is required to check submitted points for shows sanctioned by the ASC of WA with the official show results before recording those points. A file is kept for each dog or Junior Handler to facilitate record keeping. A financial record of ROM income and expenses will be kept by the ROM Recorder. Monies received by the Rom Recorder will be forwarded to the ASC of WA Treasurer promptly. It is the responsibility of the Rom Recorder to keep all ROM records up to date. The ROM files must be open for inspection by the membership. The Recorder will send ROM standings to the editor of the *Aussie Print* for publication in each issue. Such reports must be in conformance with the newsletter deadlines. The Recorder will do all correspondence concerning ROM, including returning self-addressed, stamped postcards/envelopes sent by participants to verify score sheets being received by the Recorder and shall be responsible for computing standings, preparing certificates and awards, and notifying all winners.

PROBLEMS: If a problem arises with the ROM Program, it shall not be the Recorders position to make a decision as to the solution. In such cases, the Recorder must notify the ASC of WA Vice President who will notify the ASC of WA Board of Directors, stating the facts surrounding the situation, so they can make a final ruling. The Recorder may include suggestions for a solution to the problem, which will be taken into consideration by the ASC of WA Board of Directors.

SPORTSMAN OF THE YEAR: Additional duties for the ROM Recorder shall include administration of the "Sportsman of the Year" award. This award will be determined either in conjunction with the yearly club election or at the October meeting through secret ballot. This award is to honor the individuals whose contribution to the Breed and the Club has been outstanding. Sportsman of the Year is kept secret by the ROM Recorder until the announcement of the winner at the Annual Awards Party in December.

AWARDS/CERTIFICATES: Certificates of Awards and Gifts are given to *Dog of the Year, Puppy of the Year, Junior Handler of the Year (conformation, obedience, working, and versatility), Champion Dog of the Year, Altered Champion Dog of the Year, Class Dog of the Year, Altered Class Dog of the Year, Working Dog of the Year, Obedience Dog of the Year, and Agility Dog of the Year.* Certificates are given to each dog and Junior Handler who enters and competes in each category.

CONFORMATION

CLASS DOG OF THE YEAR: For dogs 6 month of age or older who are not Champions of Record. Those dogs who attain their championships will be brought forward into "Champion Dog of the Year" with all points awarded in Class Dog of the Year. Dogs which finish their Championship within the ROM year may still win/compete in Class Dog of the Year with points awarded before completing their Championship.

Points earned for Conformation will be recorded from ASCA sanctioned shows. No points will be recorded unless Specials may enter Best of Breed competition. Any ASC of WA sponsored, non-sanctioned ASC of WA conformation show will be awarded 50% of regular ROM points upon prior approval of the ASC OF WA membership or Board of Directors.

Placing Points for dogs in Regular classes of 5 or more dogs*:

1st	4pts
2nd	3pts
3rd	2pts
4th	1pt

* Points for classes of 4 dogs or fewer will descend from 1st place to equal one point less than the total number of dogs in that class multiplied by ten.

Best of _____ in any official class (i.e. Best of Bred-By, Best of American Bred) for which sexes were divided are awarded points equal to the First Place Points of the Opposite Sex Dog defeated, if greater.

Additional points earned:

Best of _____ (See ASCA Show Files (163209))	2 points
Reserve Winner Dog or Bitch	5 points
Winner Dog or Bitch	6 points
Best of Winner	2 points
Best of Opposite Sex (if Best of Winner or Special)	1 point
Best of Opposite Sex (otherwise)	2 points
Best of Breed	1 point
Completion of Championship	5 points

All points earned above shall be totaled for the dog at each show, then multiplied by the number of points given to the Winner of the same sex at that show according to the ASCA Schedule of Championship Points.

Points for the dogs in non-regular classes shall be 50% of the above.

If a dog is exhibited in more than one regular class at the same show, only the points for the dog's lowest regular placing is credited.

Example: Adjusted Winner Best of Breed Points = 5 (points) x 10 (points) = 50 (points)
Best of Opposite Sex (if Best of Winner or Special) = 1 (point) x 10 (points) = 10 (points)
Best of Opposite Sex (otherwise) = 2 (points) x 10 (points) = 20 (points)
Best of Breed = 1 (point) x 10 (points) = 10 (points)
Completion of Championship = 5 (points) x 10 (points) = 50 (points)
Total = 50 + 10 + 20 + 10 + 50 = 140 (points)

ALTERED CLASS DOG OF THE YEAR: Points for competition in the Altered Class Dog of the Year will be computed the same as for Class Dog of the Year.

CHAMPION DOG OF THE YEAR: For dogs that are Champions of Record. Dogs who receive their championship during the ROM year shall be moved up to Champion Dog of the Year with all points awarded in Class Dog of the Year.

Points for Specials:

Specialist of the Year	2 points
Best of Breed	1 point
Best of Show	1 point

The dog or bitch going BOB shall take the points of the opposite sex, if higher.

Example ADP (points) is shown in the list of Best competition points shown in list of Best (EB). The total is $2(\text{going EB}) + 2(\text{EB}) = 4$. This is then multiplied by 5 (points) to complete the total shown. Total points = 20

ALTERED CHAMPION DOG OF THE YEAR: Points for competition in the Altered Champion Dog of the Year will be computed the same as for Champion Dog of the Year.

PUPPY OF THE YEAR: Puppies may accumulate points for this award until six months of age. They are eligible for this award only in the ROM year in which they turn six months old. Points awarded during the prior ROM year are carried over to the next year for Puppy of the Year competition. Puppies which turn 6 months within the ROM year may still compete in Puppy of the Year with points awarded before turning 6 months of age. When the puppy turns 6 months of age, 50% of the puppys conformation points earned during the current ROM year will be carried over to Class Dog of the Year.

Example Puppy is born April 15 1995 is 6 months old by October 15 1995. It is eligible for Puppy of the Year award in the 1995 ROM Year

For Puppy of the Year ROM Calculations will be figured as for adult conformation with the following exceptions:

Additional points:

Best Puppy	5 points
Best Opposite Sex Puppy	4 points

The puppy going BOBP will take the opposite sex puppys points, if higher.

The point schedule for puppies shall be figured as follows for each sex:

2 puppies	1 point
3 puppies	2 points
4 puppies	3 points
6 puppies	4 points
8 puppies	5 points

OBEDIENCE

OBEDIENCE DOG OF THE YEAR: Points for Obedience will be recorded from ASCA sanctioned shows which have the required number of dogs competing in each class for a qualifying ASCA Obedience leg. Two dogs are required in Novice Y and Graduate Novice with two sets for brace or two teams. Because Obedience trials are based on an already established point system, points equaling the obedience scores, plus placing points and additional points, as listed below, will be given. All non-Regular classes earn only 50% of the obedience score, placing points and any additional points earned. Any ASC of WA sponsored, non-sanctioned obedience trial will be awarded 50% of regular ROM points upon prior approval of the ASC of WA membership or Board of Directors. No ROM points will be credited from trials in which CDX and/or UD titled dogs are barred from competing in Open B.

Only qualifying scores earn points (with below noted exception). Novice Y, Novice A/B, Graduate Novice and Open A are each limited permanently to three qualifying scores earned. Dogs may continue to accumulate points in Open B and Utility after earning CDX or UD titles. If a dog has submitted a qualifying score toward a CD title for ROM points, future Novice Y scores will not be allowed in ROM calculations.

Placing points for dogs in classes of 4 or more dogs:*

1 st place	4 points
2 nd place	3 points
3 rd place	2 points
4 th place	1 point

*Points for classes of 3 dogs or fewer will descend from 1st place to equal 1 point times the number of dogs in the class.

Additional points:

High Scoring Aussie in Trial,**	25 points
High Scoring Trial,**	25 points
Open CDX	5 points
Open UD	5 points

*EXCEPTION: High Scoring in Trial points (25) or High Scoring Aussie in Trial (25) will be awarded to dogs with individual qualifying scores who did not qualify because there were not enough dogs in their classes combined to qualify the class, provided there were at least six dogs competing in regular classes combined.

**When awarded by Host Club.

WORKING

WORKING DOG OF THE YEAR: Points will be awarded only at sanctioned ASCA Working Trials, Ranch Dog Trials, or Ranch Dog Inspections or ASC of WA sponsored fun trials. ROM Points for ASCA stockdog judges and their family members will be given according to the handicap point system (Appendix A). Scoring at all trials must be under the ASCA sanctioned trial system. Only Qualifying Scores earn points. Versatility is an important aspect of the working Aussie; therefore, should a dog receive points in more than one category (i.e. ducks, sheep, and cattle), at any one trial, points earned in each class will be recognized when computing working awards. Because working trials are based on an already established point system, points equaling the working scores, placing points and additional points will be given. Points at ASC of WA sponsored non-ASCA sanctioned trials will be 50% of regular ROM points upon prior approval of the ASC of WA membership or Board of Directors. ROM points for placing and scores for Novice Class at ASCA Sanctioned Trials will be 50% of scores and placing points, with 69 being considered a qualifying score. Points for Junior Class will be awarded only to the Junior Handler. Scores in the Started, Novice, and Open division will be limited permanently to two qualifying scores

Placing Points for dogs in classes of 4 or more:*

1 st place	4 points
2 nd place	3 points
3 rd place	2 points
4 th place	1 point

*Points for classes of 3 dogs or fewer will descend from 1st place to equal 10 points times the number of dogs in the class.

Additional points:

High Jump (As (the step walk)*)	1 point
High Jump Tilt*	2 points
High Jump Spin*	2 points
Open Agility	5 points

*When awarded by the Host Club

AGILITY

AGILITY DOG OF THE YEAR: Points will be awarded only at ASCA sanctioned Agility Trials or ASC or WA sponsored fun trials. Points at ASC of WA fun trials will be 50% of regular ROM points upon prior approval of the ASC of WA membership or Board of Directors. Only qualifying scores earn points.

Points for ROM are as below:

Gamblers: Score earned + placing points

Standard: Score 150 - time - faults + placing points

Jumpers: Score 150 - time + placing points

Placing points for dogs in classes of 4 or more dogs:*

1st place	4 points
2nd place	3 points
3rd place	2 points
4th place	1 point

* Points for classes of three dogs or fewer will descend from 1st place to equal 10 points times the number of dogs in the class.

VERSATILITY

When a dog is awarded "Most Versatile Australian Shepherd" ten additional points will be added to the dog's ROM conformation points; 50 points will be added to the dog's highest obedience score; and 25 points will be added to the dog's highest working score.

DOG OF THE YEAR

DOG OF THE YEAR: Only those dogs acquiring points in all three areas (conformation, obedience and working), will be eligible. For each area, the top ten dogs will be computed. The number one dog in each area will be given ten points; the 2nd place dog, nine points, the 3rd place dog eight points and so on down to the 10th place. If a competing dog has points in that event, but is not in the top ten placings, he shall be scored zero points in the event, but still be eligible for Dog of the Year. If there are less than ten dogs competing in a category, placing points will start with ten. If two or more scores are tied, all tied scores shall be given the points for the tied placing. The next score shall be given the points it would have had, had the tied scores not occurred.

Example:	Conformation points	Placing Points
Dog 1	50 points	10
Dog 2	30 points	9
Dog 3	30 points	9
Dog 4	30 points	9
Dog 5	20 points	6
Dog 6	15 points	5
Dog 7	14 points	4
Dog 8	11 points	3
Dog 9	8 points	2
Dog 10	6 points	1
Dog 11	4 points	0

MOST VERSATILE AUSTRALIAN SHEPHERD

The ASC of WA may offer the award "Most Versatile Australian Shepherd" at its shows or specialties which offer all three areas of competition: conformation, obedience, and working. Points for such an award at ASC of WA sponsored events will be computed as outlined under "Dog of the Year," with the following exceptions: 1. The top ten placing points are computed using the scores only from those dogs competing in all three areas of competition. 2. If a dog earns points in more than one conformation, obedience, or working class, the class with the highest score will be used in computing "Most Versatile Australian Shepherd." 3. In the event of a tie, the award will be shared. If no dog has a qualifying score in regular obedience, a qualifying score in working, and a ROM point placing in regular conformation, the award will not be given. 4. ROM points for Spay/Neuter class will be allowed.

JUNIOR HANDLER PROGRAM

The purpose of this program is to provide an award to honor the Club's outstanding Junior Handlers in the fields of showmanship, obedience, and working.

Dogs used in this program must be purebred Australian Shepherds, eligible for registration in the ASCA Registry

TITLES: Dogs attaining ASCA titles entirely under the handling of the Junior Handler shall earn 50 additional points for the Junior Handler.

JUNIOR HANDLER OF THE YEAR - SHOWMANSHIP: This section provides an area of achievement for the Junior Handler who actively shows a dog(s) in Junior Showmanship contests at ASCA Sanctioned Shows.

Placing Points for Juniors in classes of 4 or more:

1st place	40 points
2nd place	30 points
3rd place	20 points
4th place	10 points

*Points for classes of three or fewer Juniors will descend from 1st place to equal 10 points times the number of Juniors in the class.

Additional Points:

1st place	20 points
2nd place	10 points

JUNIOR HANDLER OF THE YEAR - OBEDIENCE: This section provides an area of achievement for the Junior Handler who actively shows a dog(s) in ASCA sanctioned Obedience competition. Qualifying score points, placing points, and additional points will be figured as in the rules for Obedience Dog of the Year with the following exceptions: 1. Juniors are allowed to claim up to six scores in Novice Y, Novice A/B, and Open A. 2. High Scoring Junior in Obedience, if offered, is awarded 25 points.

JUNIOR HANDLER OF THE YEAR - WORKING: This section provides an area of achievement for the Junior Handler who actively competes in ASCA Sanctioned Working Trials.

Qualifying score points, placing points, and additional points will be figured as in the rules for Working Dog of the Year with the following exceptions: 1. Points for competition in the Junior class will be figured at 50% of the regular ROM points. 2. High Scoring Junior from the Started, Open, or Advanced classes, if awarded, will be given 25 points. 3. High Scoring Junior from the Junior class, if awarded, will be given 10 points. 4. Juniors may claim up to six qualifying scores in Started, Novice, or Open classes for a period of 60 days after the first two qualifying scores are earned.

VERSATILITY: Subject to rules outlined for Dog of the Year.

APPENDIX A

Handicap System Computation: The purpose of the handicap is to encourage Judges to judge trials by giving credit for trials they and their family members are prohibited from competing in by the ASCA stockdog rules.

I. The Handicap System Computation:

A. Final Year End Working Score:

$$\text{Final Year End Working Score} = \text{Total Working Score} + \text{Final Handicap Points}$$

B. Final Handicap Points :

Final handicap Points = Duck handicap + Sheep handicap + Cattle handicap (Sum of the Class Handicap)

C. Class Handicap:

For each class of stock: Trial points ./ Total Attempted Scores x Number of Scores Denied

II. Definitions:

A. Bonus Points:

Points given for Class Placings, High Scoring in Trial, High Scoring Aussie in Trial, and High Scoring in Class.

B. Trial Points:

The sum of qualifying scores and bonus points.

C. Total Working Score:

Trial points plus Most Versatile Aussie and Title Points

D. Denied Scores:

The number of scores which the ASC of WA Judges and the family members were not allowed to compete for as stated in ASCA Stockdog Rules, Chapter 3, section 4.

E. Total Attempted scores:

The total number of trial runs attempted resulting in qualifying or non-qualifying scores (including excusals and disqualifications).

III. Eligibility

A. Judges:

1. In state: A judge will be able to claim scores for handicap purposes for all Washington State trials at which he/she was judge as long as they meet the requirements of Sec C. A judge will be considered able to compete in every Washington state trial as long as he/she was not the Judge.

2. Out of State: A judge will be unable to claim scores for handicap purposes for all out of state trials at which he/she was the Judge.

B. Judge's family members:

1. In State: A judge's family member will be able to claim scores for handicap purposes for all Washington State trials at which their family member was judging, as long as they meet the requirements of Sec C.. A family member will be considered able to compete in every Washington State trial as long as a family member was not the judge.

2. Out of State: A family member will not be considered able to compete in an out of state trial unless they travel to those trials and compete under another judge at that trial or at a trial hosted by another club or individual on a preceding or succeeding day.

3. Judges and judge's family members will sign the following statement: "I hereby agree to provide the ROM Recorder with the total number of my attempted scores in each class. I also give the ASCA Stockdog Secretary permission to verify my ASCA trial record at the request of the ASC of WA ROM Recorder. I further agree that my failure to do so will result in the denial of all handicap points."

C: Eligible classes:

A. Judges or judge's family members will be able to use scores for the computation of a Handicap from Washington State Trials if they have previously competed with his/her dog in the class of stock at the last Washington State trial (in which the dog was entered and the following Washington State trial, not judged by a family member or themselves.

1. Exceptions:

a. The first trial of the ROM year: The dog will be required to compete only in the next trial not judged by a family member or themselves.

b. The last trial of the ROM year: The dog will be required only to compete in the previous trial, not judged by a family member or themselves.

IV. Special Conditions:

A. Special conditions that may occur at trials will be left to the discretion of the membership or the Board.
