

Sun City Amateur Radio Club

Sun City, Arizona 85351

September 17, 1976.

To all members: Field trip to K7UGA, Tuesday, November 23, 1976.

Your Program Committee has a nice outing planned for you on Tuesday, November 23, 1976. You will park your car at Thunderbird Plaza Shopping Center, 99th Ave., & Thunderbird Blvd., and at the United Bank corner, board a comfortable air conditioned Sun Valley Lines chartered bus, at 10:30 AM and ride to the Mountain Shadows Hotel, Scottsdale, and have lunch. Then we board our bus once again and ride to Senator Barry Goldwater's amateur radio station K7UGA, for a visit. After the tour of Barry's station and antenna installation, we return to our bus for a pleasant ride back to Sun City. We should be back to the Thunderbird Shopping Center around 4:30 PM.

Total cost of the trip, including round trip bus fare, lunch at Mountain Shadows, tax and gratuities, is \$10.00 each. We must limit trip to 80 people. Tickets can be obtained from Sam Lewbel at our September meeting. Please bring your cash or checks (payable to John C. Mevius) and Sam will present you with your tickets. Deadline for ticket purchases will be October 12th, and no cancellations will be accepted.

Private motor vehicles are taboo at K7UGA.

Lets make this a real Sun City Amateur Radio Club outing.
