THE PREZ SEZ:

There have been numerous Rumors received about our Club becoming a SO-SO Organization. That membership will be dropping because of lack of interest. I can only repeat what has been said before, YOU ARE THE CLUB - YOU ARE THE ACTIVITY - DO SOMETHING - GET BUSY - TALK - SAY SOMETHING - PASS ON TO THE REST OF US, THE BENEFIT OF YOUR EXPERIENCE - MAKE RECOMMENDATIONS - or would you rather come to the meeting and sit on you duff then go away and complain that the Club is not progressing like it should, If so, then blame no one but yourself. Your Club Officers have worked hard trying to keep the Club going. TRUE there are those who have helped and worked hard and certainly these FEW have been appreciated. PLEASE, WE CAN'T DO IT ALL, WILL YOU HELP US?
