

# Our values

*With an ambitious vision for CPS to become what it is today, CPS has been built on strong foundations to support continual growth, diversity and expansive resources while maintaining small, family business values and personalised customer service.*

**Our objective is to exceed stakeholder expectations through:**

## Quality Workmanship

Our team comply with industry regulations and Client requirements, to complete the task to the highest standard the first time, cleaning up and recommissioning thoroughly.

## Uncompromised Safety

Our experienced and trained staff will not compromise on safety and shall comply with all site safety requirements to support an incident-free workplace.

## Reliability and flexibility

We continuously meet customer demands with the ability to re-prioritize, adapt and expand on our capabilities by utilizing effective communication supported by leading technology.

## Value for money

Quality products and innovative methods are utilized and reviewed often to ensure the most efficient and effective solutions are offered to our Clients.

## Efficient Customer Service

Our team are professional, friendly, knowledgeable and personable when communicating with Stakeholders.

## Leadership and Teamwork

We value individuals, their diverse opinions and talents, promoting a healthy team culture through upskilling and fostering innovation.

# Our community spirit

Since it's humble beginnings, CPS has continuously provided support for numerous local clubs, events and artisans through sponsorship, donations and the provision of its resources, understanding that in order for a community to thrive, it relies on interconnections between its industries, businesses and people.
