

Why Register?

Your convention registration is used to pay for the hotel and convention facilities, associated services, equipment, maintenance, printing of your registration packets and administrative expenses.

We believe that once you understand that it is the income from your registration that makes this event possible, and that registration funds collected are used for the planning and implementation of present and future Portland Area Conventions the reasons for registering become clear.

It is the support of each members registration or donation that helps make our convention a success.

All main speaker meetings will be ASL interpreted. Special seating will be available. Designated seating for the hearing impaired and physically challenged will be available at all main speaker meetings.

* Please refer to program for ASL interpreted workshops.

Recovery is an ongoing **journey to freedom**. When we live the NA program, we are constantly experiencing new opportunities for growth, and also discovering our limitations. As our lives improve, our responsibilities increase.
