

## A fishing Fundraiser for Everglades City School

Everglades City School is one of the smallest PreK-12 public schools in the state of Florida with a student population of approximately 140 students.

The 7th Hook'em in the Glades Fishing Fundraiser will take place on November 8-9, 2024 and will be ran by the Everglades Lion Club! Teams will fish the 10,000 Islands for a chance to catch the biggest snook, redfish, and sea trout while supporting our school. This year's tournament will help generate funds for our athletic department at Everglades City School.

Everglades City School is offering a unique opportunity to support this initiative while marketing to fishing enthusiasts in Southwest Florida. This event will be promoted throughout Collier, Lee, & other southwest Florida county marinas, businesses, and social media sites. Hook'em in the Glades offers sponsorship opportunities that range from \$50 up to \$2,000. All funds go to support the students and programs at Everglades City School. Check us out @:
