

Grandparent's Lullaby

Music and Chorus by Joel Hill

Verse 1

Star light star bright
First Star out I see tonight
I wish I may, I wish I might
Have this wish I wish tonight
Have this wish I wish tonight

Verse 2

Jack Sprat could eat no fat
His wife could eat no lean
And so you see between them both
They licked their platter clean
They licked their platter clean

Chorus

*Bedtime stories,
Fairy tales and nursery rhymes
Stars that shoot across the sky
Sleep tight 'till morning light
And sweet dreams throughout the night
Love through a grandparents' lullaby*

Verse 3

Hey diddle diddle the cat and the fiddle
The cow jumped over the moon
The little dog laughed to see such a craft
And the dish ran away with the spoon
The dish ran away with the spoon

Verse 4

Little Bo Peep has lost her sheep
And doesn't know where to find them
Leave them alone and they'll be home
Bringing their tails behind them
Bringing their tails behind them

Chorus

*Limericks and old folk songs,
Mother Goose and sing-alongs
Played on an ol' six string
Fireflies and painted skies
Say your prayers and close your eyes
Love through a grandparents' lullaby*

Last Verse

Now I lay me down to sleep
I pray the Lord my soul to keep
Angles watch me through the night
And wake me in the morning light
And wake me in the morning light
