Other Vendor opportunities

We have an opportunity for you to display a banner if you are unable to secure a booth, this year. The fee for a banner is the same as for a booth. We plan to display the banners through the week in the student break area / vendor display area. You will need to coordinate shipping of the banners to and from the Great Wolf Lodge, at your expense. Banner size is suggested no larger than 4 feet by 8 feet.

If you would like to sponsor coffee breaks, we can provide a name tent with your company name at the coffee or snack area. For coffee break sponsorship, we suggest \$400 per break, per day sponsored. There will be four days of classes with a morning coffee and snack break, and an afternoon break with sodas. Please contact our office if this is something you would like to do.

We also have an opportunity for your participation in providing student badge holders and lanyards, with your company name or logo on the lanyard. We need approximately 250, and could accept as few as increments of 50. If we don't use them all at this conference, we can return the unused ones to your company, or keep them for use at future conferences. Please call our section office as soon as convenient, if this is something you can help out with.

We have attached a vendor registration form for your use to participate in the upcoming November 2019 conference at the Great Wolf Lodge.
