About

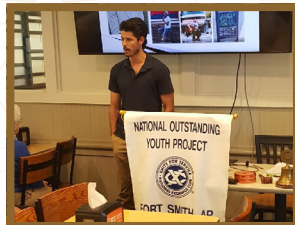

Fort Smith Noon Exchange (FSNE) Club is comprised of men and women working together to make the community a better place to live. Established in 1925, it is one of the nation's oldest Exchange Clubs and one of the region's most recognizable civic groups. Members volunteer, support youth programs, promote public service and Americanism, and help raise awareness for Exchange's national project, Child Abuse Prevention.

Weekly Programs

Weekly programs are an integral part of Exchange. Friday meetings offer members opportunities to network and learn about our community. Meetings include the "Noon News" and a special guest speaker highlighting regional initiatives and institutions.

Community Service

Book of Golden Deeds

First presented by the Club in 1942, this prestigious award honors a worthy person or group that donates time and energy to help those in need.

Emergency Responder of the Year Awards

FSNE partners with local agencies to honor emergency responders, including law enforcement, firefighters, and emergency medical technicians, for their service.

Youth Programs

Girls, Inc. Scholarship Fund

Since 1947, FSNE has provided scholarships for students to attend Girls, Inc. of Fort Smith's annual summer camp. More than 12,500 young ladies have benefited from the R.C. Goodman Scholarship Program.

Partners in Education

FSNE is a longtime Fort Smith Public Schools Partner in Education (PIE) with Beard Elementary School. Members serve as pen pals, volunteer on campus, and conduct shoe and Christmas gift drives for students in need.

National Project: Child Abuse Prevention

In conjunction with the National Exchange organization, FSNE helps raise awareness for National Child Abuse Prevention in April and throughout the year.
