## MANY THANKS FOR A JOB WELL DONE

First and foremost, we like to thank our former President Dan Baldwin and Vice President Craig Jones for their relentless dedication, sacrifice, and commitment to Havasu Garden Estates. Their tireless and often unacknowledged work over the past two years has made a positive impact on our facilities and the association as a whole. So, with a grateful heart, the association thanks you for your service and we will miss you.

## **IMPROVING COMMUNICATION**

One of the early priorities for the 2023 Board is improving communications between the home owners and the Board of Directors. Initial efforts included the following three part plan:

- 1) Revitalize the Quarterly News Letter to update all property owners on improvement activities and upcoming social events.
- 2) Initiating the following e-mail address ([Havasugardens@yahoo.com](mailto:Havasugardens@yahoo.com)) to inform your Board Members of any/all issues concerns or suggestions. This e-mail address will be monitored daily, and the Board will make every effort to respond within 48 hours.
- 3) Conference call / Zoom meeting which will enable all “out of state property owners” to attend HOA meetings electronically.

Current communications tools will still be utilized.

- Communicate thru the Web Site: <http://havasugardenestates.com>
- If you are more comfortable with Facebook, we can join our page at Havasu Garden.
- Remember you can always call Amy Telnes Management Company directly at (928) 505-1120.

FORMS: Activity Request, Complaint, Clubhouse Request, Improvement Suggestions and Architectural Request are available at very community function, on the website or on the bulletin board outside the clubhouse.

## **WEED ABATEMENT**

With all the vigorous rains this season, please remove unsightly weeds and rubbish on/and around your property and discard them appropriately, including behind your property in the alley ways.

## **DOG ETIQUETTE - LEASH LAW**

Friendly reminder, that within our association common areas and streets, all dogs are required to be on a leash. Dogs must be on a leash not more than 6 feet long and directly under the owners control when not on the owner’s property. Also remember to clean-up after your dog to keep our community clean.

## **NEXT BOARD MEETING:**

The next Board of Directors Meeting will be held on Thursday May 11<sup>th</sup>, 2023 at 4:00 P.M. in your Havasu Garden Clubhouse.
