2. Additional friends & extended family
3. Extra guests that you would love to have

**Congratulations!** You now have your wedding guest list ready to go! Based on your budget & venue, start refining the list & adding addresses in preparation for your big day!

## SONG OF THE MONTH

The father-daughter dance is a beautiful one to honor the father and serenade the bride. He remains her hero, no matter where she goes. Camila Cabello's song "First Man" is the perfect example to showcase how beautiful the bond is between a father & daughter.
