TIP OF THE MONTH

"I love spreadsheets!" said no event organizer ever. Still, creating a budget— and **sticking to it** — is crucial to avoid slipping into the red!

- Determine the kind of wedding you want.
- Have the budget talk with your fiancé.
- Decide what is nonnegotiable.
- Keep track (every month) of your expenses, so you know if you have gone over or are under budget.
- Open a separate account through your bank so that money saved, goes directly toward your Wedding.
