## *KAT & DAN*

Congratulations Kat and Dan on reaching your one-year milestone of marriage! In the world of wedding planning, it's such an honor to witness the love stories of incredible couples. It's evident to all who know you that the love between you two is something truly special. May this first year be just the beginning of a lifetime filled with happiness, love, and beautiful memories together. Here's to many more years of love and togetherness!

## *GRATITUDE JAR*

Now that your Thanksgiving table is Pristine, let's talk about how we can make your dinner more special with a gratitude jar. Prepare a jar and some small pieces of paper. As your guests arrive, encourage them to jot down what they're thankful for and drop them into the jar. During dinner, read these notes aloud. It'll be a heartwarming activity that your friends and family will always remember.

## *PRISTINE REVIEWS*

"I can hardly put into words how amazing it was to have Anna and her team coordinate our vow renewal. Not only did they make sure everything ran smoothly but they went above and beyond to put out any fires before we even knew there was an issue. Their attitude, professionalism and personalities gave us confidence to just enjoy our day knowing that they got it covered. We love Anna and Briana and cannot stress enough how invaluable they were to making our event a success. If you're not sure you need a coordinator, let me assure you that you do, and if you're considering Pristine Events, stop considering and just book them asap, you will not regret it. Thanks again Pristine for being amazing, we love you guys :D!!"

### *PRISTINE EVENT TIP*

Are you ready to set the stage for a truly elegant and memorable Thanksgiving dinner? Here are some steps to help you craft a stunning table setting that will leave your guests in awe:

1. **Centerpieces:** Warm tones are definitely a must when it comes to Thanksgiving decor, but when you want to create an elegant ambiance, you can never go wrong with white florals.
2. **Table Setting:** Arrange your cutlery and glassware in an orderly manner. Bonus points if they have a hint of gold. Remember, forks go on the left, knives and spoons on the right.
3. **Accents:** You don't want to go too overboard when it comes to sophistication. This is a Thanksgiving dinner after all. Add touches of wood, mini pumpkins, or even seasonal leaves to add coziness to your decor.

### *KRISTEN & ALAN*

We had the absolute pleasure of being part of Kristen and Alan's beautiful wedding last month that took place at the DoubleTree Hotel. The venue was stunning, and the love and joy that surrounded them was truly magical. From the carefully chosen decor to the heartfelt vows, it was a day to remember. Kristen looked breathtaking in her gown, and Alan was beaming with happiness. Wishing them a lifetime of love and happiness as they begin this new chapter together.

### *SONG OF THE MONTH*

"How Can You Not" by Leanna Crawford is a wonderful song that resonates deeply with the essence of God's love and His creation. The heartfelt lyrics and soulful melody create a captivating musical journey, inviting listeners to reflect the nature that surrounds them. During the Fall, leaves change color, and it's such a beautiful thing to see. It's even more beautiful knowing that God is behind those changes. Join us as we listen to this song with gratitude!
