## Tourism Facilities

We know that events are gearing up for the winter season and Yorkton has the amenities to host events of all sizes.

When it comes to hosting an event, whether it's a business meeting, a major convention, wedding, or sporting event, Yorkton has the facilities.

"That's one of the great things about a city like Yorkton. It's small enough anyone coming into an event can find their way around easily, but we are large enough to have a full range of quality services," said Tourism Yorkton Executive Director Randy Goulden.

Goulden said it starts with accommodations and food.

"Whether you need a room for a night, or fine hotels and motels," she said.

"And our restaurants range from, providing burgers on the go as you travel, to those offering fine dining."

"There are of course private areas in some of the restaurants for small meetings as well."

When it comes to larger gatherings, that perfect wedding, or fraternal convention, Yorkton has the facilities for that too.

The Painted Hand Casino, SIGN on Broadway, St. Mary's Cultural Centre, Godfrey Dean Cultural Centre, Land Titles Building and the City's own Gallagher Centre all have spaces to accommodate gatherings from just a few intimate friends, to a high level business gathering, to provincial conventions.

"We're fortunate in Yorkton to have such a range of facilities," said Goulden. "It has allowed the city to be the site of events from Pinty's Grand Slam Curling and Sunflower Craft Show & Sale, the annual SUN convention and the Saskatchewan Wildlife Federation convention."

Should someone need a little help planning an event in the city, Tourism Yorkton can help there as well. They have a Convention and Event Planning Guide and a Wedding Planning Guide on their website; [www.tourismyorkton.com](http://www.tourismyorkton.com).

## Easter Seals Snowarama

### 47 Years of Snowmobiling for Easter Seals March 2, 2024

Join us for a weekend of fun and excitement as we rally to raise funds for Camp Easter Seal, Summer Fun, and Adaptive Technology Services; these programs

increase self-esteem, self-determination, and independence for individuals experiencing disability in Saskatchewan.

**Camp Easter Seal:** For over 65 years, so many people young and old consider this

wonderful place to be a home away from home.

As the only completely wheelchair-accessible camp facility in Saskatchewan, Camp Easter Seal provides a safe, fun and barrier-free experience to all campers who participate in extracurricular, recreational, and personal development activities. It is truly a place where campers can put their daily challenges aside and just have fun!

Camp Easter Seal is located at Manitou Beach near Watrous. Boasting views of lush greenery, rolling hills and calm, it has been referred to as one of the most picturesque locations in Saskatchewan.

The resort village of Manitou Beach also has many amenities and activities happening during the summer for campers, staff or visitors.

Summer Fun: SaskAbilities recognized the need for more social interaction during the summer months for children and youth who experience disability. Summer Fun is aimed at fostering community inclusion, encouraging social skill development and increasing the self-confidence and self-

esteem in program participants. With life enrichment as their goal, this program creates hope for children and youth who experience disability to have the same excitement and anticipation for summer holidays as every other child.

Each year the lives of young people are enriched by the Summer Fun program which is operated at the four SaskAbilities branches in Yorkton, Swift Current, Saskatoon and Regina.

Adaptive Technology Services: This program is dedicated to using technology to create opportunities and increase independence for individuals experiencing disability. If an individual can control one muscle function - like blinking their eye, turning their head or controlling their breath - we can apply switches to that movement to increase their freedom, choice and safety.

Environmental controls, communication devices and computers can be operated with the push of a switch. That means that the use of alternative access through switches can enable someone with a physical disability to use a hands-free phone, operate appliances and remote controls, access a computer or use an augmentative communication device.

Individualized services including assessments, installation and training can open the door to a new world of possibilities for people with disabilities. The freedom to make choices and act on opportunities

Snowarama registrants raise a minimum of \$150 in pledges to participate and will enjoy over 100km of beautifully groomed and marked snowmobile trails, complimentary meals, fuel, Snowarama swag, and a ticket to the Awards Banquet! There are also chances to win some fantastic prizes!

There is so much fun to be had at Snowarama! The weekend kicks off at SaskAbilities in Yorkton on Friday, March 1, with registration and a Beer & Wing Night. Come back Saturday morning for a delicious breakfast, then hit the trails for a great day of snowmobiling. The mid-way point will be at the Good Spirit Rec Hall at Good Spirit Provincial Park, where you'll enjoy a complimentary lunch and fuel for your snowmobile. Ride back to Yorkton and join us at the Awards Banquet at St. Mary's Cultural Centre; a delicious meal, awards, comradery, and fun!

# Yorkton Cross Country Ski Club

The Yorkton Cross Country Ski Club maintains trails on the Deer Park Golf Course during the winter months. With the cooperation of our volunteer groomers and the City of Yorkton the club regularly grooms the trails and opens the clubhouse as a warm up shelter and a place to rent equipment on a first come first serve basis.

For the 2023/2024 season we are very excited to have a new facility at Deer Park. This new facility we hope will make Deer Park a true year-round recreation facility. It will provide families and friends a place to meet and gather before and after a ski on the trails.

While Cross Country or Nordic skiing has always been a great way to get exercise and enjoy the outdoors in the winter. The past few years have seen a huge surge in popularity. During and after the pandemic people were seeking outdoor activities that were safe, accessible and affordable.

It is a wonderful family activity that parents can enjoy right along with their children. The Yorkton Cross Country Ski Club has over one hundred members and families that get out and enjoy the trails and activities. The club provides a number of opportunities for youth and adults to learn to ski.

Each year 40 to 50 youth participated in the Club's Jackrabbit Programme. The programme follows Nordiq Canada's programs to teach kids ages 3 to age 18 to ski using many different games and adventures. The program is delivered Sunday afternoons from late November to the middle of March weather

depending. Each year there are also a few opportunities for field trips to try other nearby locations such as Good Spirit or Duck Mountain as well as a few races for those who want to try the excitement of competition. Children are divided up into four different age groups Bunnies, Jack Rabbit 1&2, Jack Rabbit 3&4, Senior Rabbits and Track Attack groups. If parents are interested in more information about the youth programs, they can email [maloff03@gmail.com](mailto:maloff03@gmail.com). Deadline to register for the youth programs is November 12th. For information about our club you can contact the club's President, Ray Bailey at 306-621-9966. You can also find out more information and connect with us on Facebook.

As we are all try and get out and enjoy our Fall weather, we also know that winter is never far behind in our beautiful country. This year try and get out and enjoy nature and a winter activity.

## Yorkton Exhibition Association

Another edition of Grain Millers Harvest Showdown is just around the corner.

The fall show dovetails nicely as the Yorkton Exhibition Association and Yorkton Chamber of Commerce marks Agriculture Week in Yorkton. In recognition of Agriculture Week in the city, a unique brand was created which was made into a branding iron. To 'kick-off' Agriculture Week, the brand was symbolically applied at a media event. In 2022, assisting with the "branding" was Mayor Mitch Hipsley; Exhibition Honorary

Directors Bob & Kathy Rusnak; and Chamber President Marty Sveinbjornson.

Hipsley said marking the importance of agriculture makes sense locally. "If it wasn't for agriculture we just wouldn't be here," he said last fall.

It was great to finally be on the eve of Harvest Showdown again after it was completely cancelled in 2020 and so many restrictions were in place in 2021 due to COVID-19 said Barb Woytas, General Manager.

"It's just so nice to see Harvest Showdown back with a full show," she said, adding the Yorkton Exhibition Association always tries to focus on "bringing family and friends together" and an event like Showdown does just that. While the Showdown is a big event for the YEA, Woytas said it ripples throughout the whole city. "Everybody benefits from this as many of our exhibitors and guests stay in local hotels, eat in local restaurants and shop in local businesses".

As for the annual Harvest Showdown in the city it returns Nov. 1-4 at the Yorkton Exhibition grounds, with many of the familiar events back. Of course an event such as Harvest Showdown is only possible through the support of many generous sponsors, starting with the naming sponsor; Grain Millers.

A highlight of the 2023 event will again be Professional Bull Riding (PBR), with MazerGroup back as the highlight sponsor for two nights of action, November 3 & 4, at the Westland Insurance Arena.

Immediately following PBR head on over to the Prairie Oyster Bar & Grill to dance the night away with Lenny & the Gypsies Friday night and Cattle Drive on Saturday.

For those liking the big horses; the arena will also host the SaskTel Horse-Power Showcase featuring the Newton Landscaping Chore Team Competition, Dave's Diesel Heavy Horse Pulls and Yorkton Hyundai muton busting. Additional arena show will be the Yorkton Tribal Council Stock Dog

Competition and the J-Mack Sandblasting Ranch Rodeo.

Once again, the Agri Pavilion will host FCC Breeders' Alley, the Heartland Livestock Services Futurity Heifer Show and the Cornerstone Credit Union Commercial Cattle Show which features a variety of cattle breeds and some of the top breeders from the area and don't forget the Commercial Cattle Sale Saturday, November 4, located in the GX 94 sale ring.

The Mosaic Ag Education is back teaching over 1200 grade 4 and grade 7 students about agriculture and include stations such as horse, beef, alpaca, pork, bees, turkeys, technology, grain, food science, food security and the story of oats, just to name a few. A Country Craft & Tradeshow located in the Flexihall will be open Thursday through Saturday so a little early Christmas season shopping will be possible.

The grain show is another returning highlight. Stop by to see the Westland Insurance and SGI Commercial Grain Show, the FP Genetics Pedigreed Seed Show and the Maple Ag & Outdoor Forage Show where the top producers of each class are on display in the flexi hall. The Grain, Forage, and Pedigreed Seed Award Reception will be in the National Bank Financial Place with a performance by comedian Matt Gore. "Thirsty Thursday" is also back and is located down at the Prairie Oyster Bar & Grill.

Another highlight of the show is the Grain
