## What Allergen \& Dietary Restriction Information Can You Offer?*

Vegan: all bagels are vegan (except egg). We also have vegan cream cheese and some sandwiches can be made vegan.

Gluten: we offer gluten free bagels from Udi's that we can keep individually packaged for safety.

Seeds: we cannot guarantee anything is seed free because we use a LOT of sesame seeds and there's always a risk of cross contamination.

Peanuts/Nuts: we have a peanut butter cookie on the menu so there's always a risk of cross contamination. however, there is limited overlap between the bagels and peanut products.

Kosher/Halal: our bagels are made with kosher ingredients but our facilities are not certified kosher.
