Your membership provides us with community support and helps with needed funds to accomplish our goal of providing our community with a no-kill facility to help stray animals find their best homes. Your membership entitles you to receive a quarterly digital newsletter, and special emails to inform you of the latest shelter news. At the annual meeting, members may vote for those who serve on the shelter board, or even run for a position themselves. In addition, your membership invites you to participate in events and fundraisers and other volunteer positions to help make this much needed shelter a reality.
