## IT IS TIME FOR US TO WISE UP!

- Choosing to get a Covid-19 vaccine may or may not prolong your earthly life. Keep in mind that everyone of us will eventually die at some point in time. A vaccine of any type for any disease will not make us immortal.
- Choosing not to get a Covid-19 vaccine may or may not shorten your physical life. The truth remains, none of us in our present physical condition will live on this earth forever.

## A WORD TO THE WISE:

- The wisest choice any of us will ever make is to ask God to *vaccinate* our sinful hearts with the precious blood of Jesus Christ, His only begotten Son.

1 Cor.15:3,4 “*Christ died for sins according to the Scriptures...He was buried, ...He rose again the third day according to the Scriptures*”

**There is something more deadly than being Covid-19 positive...  
it is being SIN positive**

## **The Bible tells us:**

Romans 3:10 *“There is none righteous, no, not one.”*

Romans 3:23 *“All have sinned and fall short of the glory of God.” (perfection)*

Romans 6:23 *“The wages of sin is death.” (separation from God)*

## **MY HUMAN WISDOM TELLS ME:**

- It is possible that I could live my entire life free from Covid-19 and die someday and go to Hell fire.
- Or...it is possible that I could live my life and at some point, become infected with the Covid-19 virus. I could face suffering and death. Then for an eternity continue to suffer more than before in the eternal lake of fire.
- Or ... it is possible that I could live my life and at some point, choose to get a Covid-19 vaccine and still become infected with the Covid-19 virus and suffer and then die and go straight to Hell.

## **GOD DIVINE WISDOM TELLS ME:**

- I could choose to repent of my sins, and ask Jesus Christ to forgive me of my sins. I would need to place my faith and trust in Jesus Christ to save me. Then I would have the assurance that when I die (for whatever reason) by God's grace I will be welcomed by God into Heaven because of what Jesus Christ did on the cross for me. Jesus died on the cross for me... He died to pay for my sins... He died in my place.

## **MOVED BY COMPASSION:**

- My compassion for you causes me to tell you that your eternal life in Heaven is based completely upon what Jesus Christ did for you on the cross and your personal response to God's love for you.

John 3:16 *“God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.”*

Are you believing in Jesus?...or are you rejecting Him?

## **EVERYONE NEEDS A *VACCINE PASSPORT* - *OF A DIFFERENT KIND* -**

- The only *vaccine passport option* available to sinful people out of the lake of fire in Hell and into Heaven is *Jesus Christ*.

John 14:6 Jesus said: *“I am the way, the truth, and the life. No one come to the Father (in heaven) except through Me.”*

## **DON'T BE FOOLED BY FAKE NEWS**

- The United States of America Government can't save you.
- All fifty state governments combine can't save you.
- Man made vaccines can't save you.
- The World Health Organization can't save you.
- The Center of Disease Control and Prevention can't save you.
- The best made mask or facial covering can't save you.
- No Government stimulus check can save you.
- No amount of quarantine time can save you.
- No social distancing guidelines can save you.

## **ONLY JESUS CHRIST CAN SAVE YOU**

Acts 4:12 *“Nor is there salvation in any other, for there is no other name under heaven given among men by which we much be saved.”*

John 5:24 Jesus said, *“Most assuredly, I say to you, he who hears My word and believes in Him who sent Me has everlasting life (Heaven) and shall not come into judgment (Hell) but has passed from death (separation from God) into life” (personal relationship with God)*

## **THE CHOICE IS YOURS**

Please carefully consider the consequences of allowing a stranger to inject into your body that which is still under medical **review**.

## Please join with us in praying

- for the families and friends who have lost their loved ones to the Covid-19 virus along with other medical conditions.
- for our family members and friends who presently have tested positive and in some cases are right now under medical care, holding on, and hoping to make a full recovery.
- for those who have/or are having adverse effects from the vaccine, and praying for comfort for those who have lost loved ones due to the vaccine.

**Most of all, please join us in praying for all those who have never personally received Jesus Christ into their hearts and lives. Many people have never experienced the forgiveness of their sins and the eternal life-giving *vaccine* of the precious blood of Jesus Christ.**

**The only permanently effective *vaccine* available is Jesus Christ. Instead of rolling up our sleeve to get jabbed with a needle, this may be your day to get your heart *vaccinated* with JESUS.**

What is a vaccine? According to the CDC, vaccines contain the same germs that cause disease. For example, measles' vaccine contains measles virus. The virus has either been killed or weakened to the point that they don't make you sick. Some vaccines contain only a part of the disease germ.

The vaccine stimulates your immune system to produce antibodies, exactly like it would if you were exposed to the disease. After getting vaccinated you develop immunity to that disease, without having to get the disease first.

**GOD HAS PROVIDED SOMETHING BETTER THAN A MAN-MADE VACCINE. WE WILL REFER TO IT AS GOD'S *WISER VACCINE***

Although the following application is not perfect, it does help us to realize what God has done. In the realm of the spiritual, the Bible tells us in 2 Corinthians 5:21

*“He (God the Father) made Him (God the Son) who **knew no sin** to be sin for us, that we might become the righteousness of God in Him.”*

Jesus was *infected* with man's sin ... and for everyone who believes in Jesus, they become a believer who is *infected* with God's righteousness!

The result, the cure, is that the believer is made righteous and this means they are allowed into Heaven when they die.

# **HOW DOES A PERSON RECEIVE GOD'S WISER VACCINE?**

## **1. Admit you are a sinner** (SIN positive)

Romans 3:10 *"There is none righteous, no, not one."*

## **2. Be willing to turn away from your sin** (repent)

Acts 17:30 *"God now commands all men everywhere to repent."*

## **3. Believe that Jesus Christ died for you, was buried and rose from the dead**

Romans 10:9-10 *"When you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation."*

## **4. Through prayer, invite Jesus into your heart to become your personal Lord and Savior**

Romans 10:13 *"Whoever calls on the name of the LORD shall be saved."*

You may want to use the following prayer to guide you to receive Jesus Christ, God's 'vaccine' to save you from your sin. Pray from your heart with faith that God gives you:

**Dear God, I am a sinner and I need forgiveness. I believe that Jesus shed His precious blood and died for my sin. With Your help, God, I am willing to turn away from my sin. I now invite Jesus Christ to come into my heart as my personal Savior and Lord. Please fill me to overflowing with Your Holy Spirit. Thank You, Lord. In Jesus' name I pray, amen.**

**Jesus said to all those who are trusting in Him as Lord and Savior:**

*“I will come again and receive you to Myself”*

*“...in a moment, in the twinkling of an eye...”*
