Welcome to the
TAKE OVER
Where the dancers do it all!!!!

We are so excited bring back the TAKE OVER for it's third show. The TAKE OVER show gives our dancers the opportunity to step in to the role of choreographer/director. All the pieces in this show are envisioned, designed and created by our dancers.

"You use a mirror to see your face. You use works of art to see your soul." George Bernard Shaw

Dancers will get the chance to select their music, costumes, dancers and concept. They will then work with the group they have selected to have their vision come to life.

This show provides dancers with the chance to develop their skills in;
- creativity
- leadership
- communication
- time management
- conflict resolution (hopefully not too much)
- and so much more!

There is no additional fee for participating in the TAKE OVER, only time. Dancers will be responsible for finding ways and times to work with their groups. Feel free to get creative and meet online, send out videos, etc. There are many ways to connect even while people are away on holidays. We will have some studio time made available in August/September, however, we strongly encourage all dancers to get creative.

Here are the guidelines for this program;
- Your number needs to be kid and family appropriate
- No swears or inappropriate content will be allowed
- Your number can not exceed 2:30
- You will be responsible for your own props, costumes, etc.
- Each dancer may only perform in one solo (whether that is self-choreographed or by someone else).
- Please try and use a variety of dancers, so other dancers who may not want to choreograph their own piece can still participate
- It is your responsibility to book and schedule your rehearsals

Timelines and important milestones;
- Apply online by August 31 using the link below - Miss Sam and Miss Kris will provide feedback within 48 hours of application.
- Book and rehearse your number (late August-early October)
- Dress Rehearsal is Sunday, October 22
- Stage rehearsal and show is Sunday, October 29

Get creative and have fun!
