Treasurer Report- \$578.68 funds. All dues paid for current members for 2023.

Ongoing Business:

5K: Summarized. \$670.93 made to donate to TFO. Tabling to see if we want to hold in 2023. Everyone enjoyed the event & felt like it was a good event & encouraged team building as well. Maybe hold in Bloomington next time for more exposure to IU?

2023 Bowling Tournament: dates of 7/14 & 7/15. Casey will check on hotel block rates. Need to meet with owners to determine our expectations. \$100 lane sponsorship cost determined-20 lanes. Need to get sponsors and raffle table items. Name is Mad Viking Indiana's Charity Bowling Bash. Presented logos made by Travis Smith. Group voted on one they liked best to use. Can use old pins and vinyl for trophies & maybe even give to lane sponsors. Will have banner with logos of sponsors. Determined \$25 entry fee to bowl per person. Fun events through night to keep people involved (Strike poker hand discussed). Friday night-pre-party-Stacy/Angi volunteered for Trivia. Talked about sponsorship levels-need to ask for \$1000; if we don't get, make the \$500 the highest level. If we don't ask-we won't get more. Need flyer with sponsor levels to go with letter. Will do 1/2 pot, funds will go towards event sponsorship budget. Need to attract local participants and sponsors as well. Will try to obtain silent auction items as well. Chris said we can have karaoke FOC as well. \$300 fee to alley discussed as well. Need to have sponsor info worked out by Jan meeting as well (waiting on main charity). Discussed having team names and themes to compete for the best.

Contingency Fund/Community Outreach Community Creation: Cori will get with other members of committee to review & compose policies (Angi & Derrell) by Feb.

Events Sponsorships: \$500 budget-need ideas how to fund!

50/50 at Bowling Tournament can go towards this fund. 10% of all funds raised to go towards funds? Motion for 10% of all funds raised to go towards club funds & operating expenses. Will add to bylaws. Will draw for MV chapters to sponsor their event, we will take winning chapter of the year out for the next year until we rotate through all chapters. Will also donate for MB deck. All bring ideas for non-MV event to sponsor to Jan meeting. We will draw for these as well in Jan. If not attending meeting send nomination to Wayne prior to 1/14 meeting.

Locking Arms for Suicide: Casey sending check for our \$100 sponsorship for their Bowling Tournament. May be good idea to attend to see how they run it. Chris & Cori will probably definitely attend. Encouraged members to attend as well.

2023 T-shirts: Blue, will post shades of blue to vote on in chat. Created poll in chat for sizes as well. Maybe able to get soft material without much upcharge if any per Cori.

2023 Charity: The Fallen Outdoors & Serenity House are in the running. Determined to extend date due to Jan so members can research more ideas. Will do poll to vote after Jan meeting.

2023 Winter Weather Gear: Start in March and run into Sept then distribute to homeless with good in Louisville. Need flyers, boxes, ways to promote. Working with MVKY and Beard Mobb IN. Stacy will work on more info as it gets closer.

Meeting Dates: Will stay 3rd Saturday of Month. Overall dates will be posted in chat and on FB page soon. Determined to take Columbus IN out of meeting rotations for this year. Will rotate between Jasper & Mooresville, adding Ellettsville IN for April meeting to see if we like location, this is approx. midway point for all members. Changed rotation slightly to have meetings coincide with events or anticipated events in that area if needed. Stacy will post in group and chat. October meeting same day as Tri-County comp. Johnny volunteered to find Noblesville area location for the day prior to Tri-County comp.

2023 Points: Will be posted monthly going forward with explanation for accuracy.

Website: Cost around \$130 per year. First year cost covered by Patmore's. Have to determine how to fund next year. Best idea seems to be from remaining dues paid after t-shirt costs are taken out. Cost for 2023 due around Oct/Nov. Laura will research to see if there are less expensive options avail.

New Business:

Firehoses for schools-Dennis waiting for more info from school admin. Jenna will speak at Jan meeting.
