ANNUAL REPORT

July 1, 2018 through
June 30, 2019

“It is truly right and just...
always and everywhere
to give You thanks...”

Adapted from the Preface
of the Roman Missal

Happy New Year!! Happy New **Fiscal** Year. I doubt anyone stayed up until midnight on June 30 to ring in the New Fiscal year but none the less we began a new fiscal year on July 1. In this issue of VOICES you will find the end of the year financial numbers for 2018-19 fiscal year as well as a new budget for the 2019-20 fiscal year. I want to use this opportunity to once again thank everyone for their response to the letter that I sent out as we neared the end of the fiscal year. At that time if we had continued on the course we were on we would have ended the budget year \$60,000 behind budget which would have affected our ability to pay some annual expenses that come in the first of July. Thank you for prayerfully considering my letter because several came forward with very generous one time donations and others changed their regular giving to help down the road. We were able to end the Fiscal Year ahead of budget and well situated for the current fiscal year. Thank you for your generous response.

The big news this past year was the retirement of Fr. Tony Shonis. He began speaking about retiring early in the year. Many people that I encountered in the parish would ask if he was REALLY going to retire and after he began to pack up and give away most of his books to the Brescia University Library, I knew that it was true. Many ideas surfaced about living quarters for after he retired and finally a house in Henderson became available and the decision was made. We had a wonderful pot-luck dinner with the Men's Club providing pork chops. The gym was full with family, friends, parishioners, and others. We celebrated our last Faith Quest with the committee shutting down as Fr. Shonis retires. We may see some of the events but not the week-long event. We thank Fr. Shonis for his wonderful ministry at Holy Name and we look forward to his living in the community and his desire to be a part of the parish.

The Youth Group, Religious Education families and the Hispanic community have for years taken care of the Salvation Army Soup Kitchen one Saturday a month. We decided to open up that opportunity to other groups in the parish and it has been a wonderful opportunity for many people. The parish staff, the parish council, the Men's Club, the Knights of Columbus and several other groups or committees in the parish have taken part throughout the year. The school has called upon their hoUSE system to offer opportunities for families from various hoUSEs. A hoUSE was selected for a month, they would minister at an all school mass, the older students would go to the Salvation Army to serve at the Soup Kitchen one day during the school day and the families were invited to come together with their teacher sponsors to cover the Saturday serving. The Soup Kitchen is a wonderful ministry that helps us all to remember the many blessings that we have and to put a face on the needy in our midst.

So as the Fiscal year came to an end, we moved one priest out of the Rectory and welcomed to the parish, Fr. Gary Clark. Fr. Gary is originally from the Leitchfield, KY area and comes to Holy Name after serving in Bowling Green at St. Joseph Parish. We look forward to his ministry here at Holy Name Parish. Scottie Koonce announced at the end of last school year that he wanted to return to the class room and to have more time with his family. Scottie provided two wonderful years of leadership at Holy Name School and we wish him all the best. We welcome a new principal to Holy Name School as the school year begins. A new principal but a very well known and friendly face, Judy Jenkins. Judy has taught for many years and is well known as a Kindergarten teacher. We are very excited for Judy to take over the helm at school. She is well known and respected with the faculty, teachers, parents and students. We are looking forward to a great school year.

Last year I ended my message speaking about the Alles Estate and so I will conclude this time with the same. As we are all aware the Alles Furniture Business and buildings sold and it is wonderful to see the store reopened by relatives of Herman and Mary Frances Alles. We are still waiting for the estate to be fully resolved and we will keep you informed as we move along.

Once again, I thank the parish for a wonderful year and I continue to look forward for the year to come. Thanks for all the parish and let us continue to pray for one another.

Un Mensaje de Nuestro Párroco

¡Feliz año nuevo! Feliz año fiscal nuevo. Dudo que alguien se haya levantado hasta la medianoche del 30 de junio para recibir el Nuevo año fiscal, sin embargo, iniciamos un nuevo año fiscal el 1 de julio. En esta edición de VOCES encontrará los resultados financieros del fin del año fiscal 2018-19, así como un nuevo presupuesto para el año fiscal 2019-20. Quiero aprovechar esta oportunidad para agradecer una vez más a todos por su respuesta a la carta que envié cuando nos acercábamos al final del año fiscal. En ese momento, si hubiésemos continuado con el curso en el que estábamos, habríamos terminado el año presupuestado con un presupuesto atrasado de \$ 60,000, lo que habría afectado nuestra capacidad para pagar algunos gastos anuales que se producirían el primero de julio. Gracias por considerar en oración mi carta porque varios presentaron donaciones muy generosas y otras cambiaron sus donaciones regulares para ayudar en el futuro. Pudimos finalizar el año fiscal por delante del presupuesto y estar bien situados para el año fiscal en curso. Gracias por su generosa respuesta. La gran noticia del año pasado fue la jubilación del Padre Tony Shonis. Comenzó a hablar de retirarse a principios de año. Muchas de las personas con las que me encontré en la parroquia me preguntaban si REALMENTE iba a jubilarse y después de que comenzó a empacar y regalar la mayoría de sus libros a la Biblioteca de la Universidad de Brescia, supe que era cierto. Surgieron muchas ideas sobre la vivienda para después de que él se jubilara y finalmente una casa en Henderson estuvo disponible y se tomó la decisión. Tuvimos una maravillosa cena de despedida con el Club de Hombres que ofreció chuletas de cerdo. El gimnasio estaba lleno de familiares, amigos, feligreses y otros. Celebramos nuestra última celebración de "Búsqueda de Fe" con el comité cerrando justo cuando el Padre Shonis se retiraba. Es posible que veamos algunos de los eventos, pero no el evento de una semana de duración. Damos las gracias al Padre Shonis por su maravilloso ministerio en el Santo Nombre y esperamos viva en la comunidad y su deseo de ser parte de la parroquia.

El Grupo de Jóvenes, la familia de Educación Religiosa y la Comunidad Latina han cuidado durante años la "Cocina Comunitaria del Ejército de Salvación" el cuarto domingo de cada mes. Decidimos abrir esa oportunidad a otros grupos en la parroquia y ha sido una oportunidad maravillosa para muchas personas. El personal de la parroquia, el consejo parroquial, el Club de Hombres, los Caballeros de Colón y varios otros grupos o comités de la parroquia han participado durante todo el año. La escuela ha pedido a su sistema de "Casas" que ofrezca oportunidades para familias de diferentes lugares. Se eligió a una "Casa" por mes, ellos ayudarían en una misa de toda la escuela, los estudiantes mayores irían al Ejército de Salvación para servir en el comedor comunitario un día durante el día escolar y las familias fueron invitadas a unirse con sus maestros patrocinadores para cubrir el sábado en el que servirían. "The Soup Kitchen" o Cocina Comunitaria es un ministerio maravilloso que nos ayuda a todos a recordar las muchas bendiciones que tenemos y a poner una cara a los necesitados entre nosotros. Entonces, cuando el año fiscal llegó a su fin, despedimos a un sacerdote de la Rectoría y le dimos la bienvenida a la parroquia al Padre Gary Clark. El Padre Gary es originario del área de Leitchfield, KY y llega a Holy Name después de servir en Bowling Green en St. Joseph Parish. Deseamos gozar de su ministerio aquí en la Parroquia de Holy Name. También daremos la bienvenida a un nuevo director en la escuela Holy Name cuando el año escolar comience muy pronto. Un nuevo director pero un rostro muy conocido y amigable. Scottie Koonce anunció al final del último año escolar que quería regresar al salón de clases y tener más tiempo con su familia. Scottie brindó dos maravillosos años de liderazgo en la escuela Holy Name y le deseamos todo lo mejor. La nueva Directora es Judy Jenkins. Judy ha enseñado durante muchos años y es bien conocida como maestra de Kindergarten. Estamos muy emocionados de que Judy se haga cargo del timón en la escuela. Ella es bien conocida y respetada con la facultad, los maestros, los padres y los estudiantes. Estamos esperando un gran año escolar. El año pasado terminé mi mensaje hablando sobre el herencia de Alles y concluiré esta vez con lo mismo. Como todos sabemos, el negocio de los muebles de Alles y los edificios se vendieron, y es maravilloso ver que los familiares de Herman y Mary Frances Alles reabrirán la tienda. Seguimos esperando que el patrimonio se resuelva por completo y lo mantendremos informados a medida que avancemos. Una vez más, agradezco a la parroquia por un año maravilloso y sigo esperando el año por venir. Gracias por toda la parroquia y sigamos orando los unos por los otros.

MISSION STATEMENT

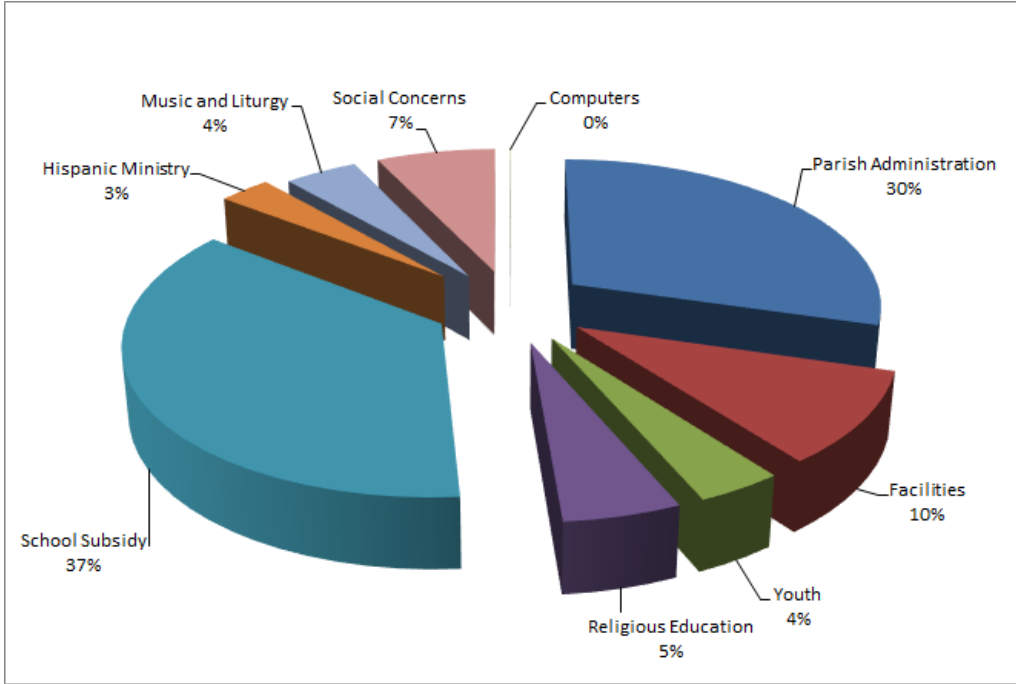

Holy Name of Jesus, a Catholic Parish in the Diocese of Owensboro, Kentucky, is dedicated to living the Gospel message. We strive to build community by celebrating God's presence in Word and Sacrament. Through our gift of diversity, guided by the spirit, we witness Christ's love for God's people by our compassion for all.

EXPLANATIONS OF PARISH FUNDS: THEIR USES AND HOW THEY ARE FUNDED

The Parish Operating Fund: This account pays for the normal operations of the parish, providing for salaries, benefits, utilities, phone bills, postage, and computer services as well as routine maintenance such as mowing, snow removal, waxing floors, light bulbs, and filters. In addition, it pays all expenses necessary to operate the many ministries available in the parish.

The Parish Operating Fund account is funded by collections. Annually, a budget is prepared based on an estimate of the operating expenses and this determines the amount needed in collections for the coming year. It is through these collections that the many ministries are made possible.

The last three years has made it necessary to use up cash flow reserves as collections have been under budget. At the beginning of April 2019 with some large expenses coming due, the cash was at a very low balance and collections were under budget. A plea was made to the parishioners to prepare for this shortfall and as always, the parishioners responded with enough to cover the deficit.

In June, the parish received the final settlement of the Mary Francis Alles Estate totaling \$370,000. While estate money is normally placed in the Plant Fund for future expenditures, due to the lack of reserves for the General Operations, it was decided to keep these funds in the General Operations Fund.

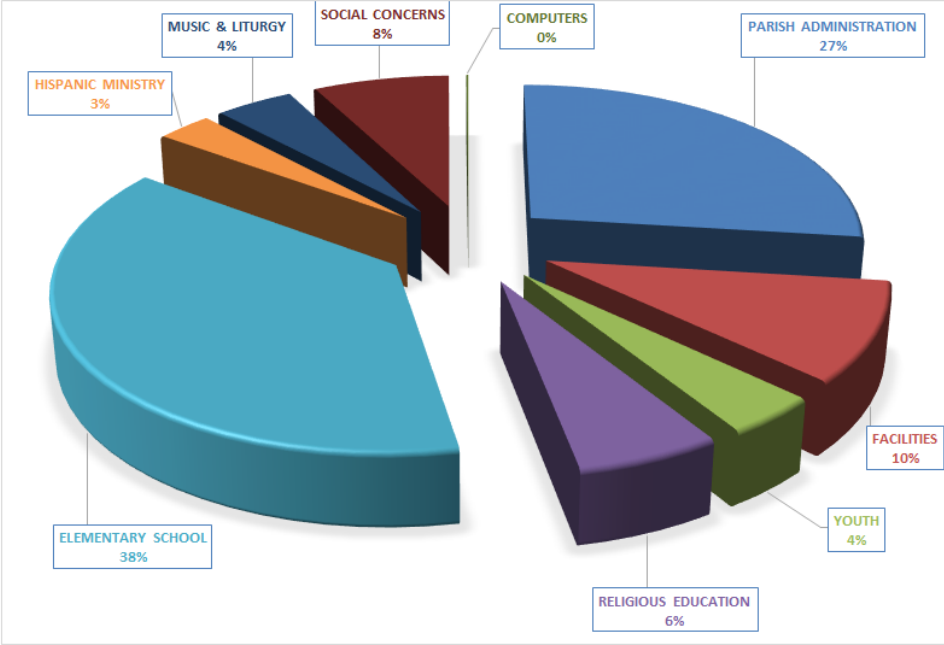

The Parish Plant Fund: This account pays for capital expenditures. Capital expenditures are items for all properties: church, school, St. Margaret Chapel, convent, including building repairs and improvements, land and parking improvements, possible land purchases, large furniture and equipment repairs and purchases. A "plant fund" monthly envelope is provided however these larger items required additional funding. The parish is depended upon receiving estates and memorials for these major expenses.

The Cemetery Fund: This account pays for all expenses of the St. Louis Cemetery. These expenses would include: lawn maintenance, road improvements, and landscaping, fencing, and computer expenses. The cemetery is self-supporting. As to date, the sale of grave spaces have been enough to maintain the property.

Food Pantry: This investment account is solely for maintaining the food pantry. Withdraws are made annually for the amount needed to purchase food for the pantry.

Holy Name School Highlights

A look back at Holy Name School throughout the 2018-2019 school year...

The year kicked off with the continuation of the **House System**. The goal of the House System is to provide an opportunity for students, faculty, and families to interact across grade levels in healthy competition and support each other as they grow in their Catholic faith. This year the Keys House won the House Cup which they will keep throughout the 2019-2020 school year.

September brought the much anticipated **Fall Festival**. This year's festival was the most successful Fall Festival Fundraiser HNS has seen. The festival supports our general operating budget. *We look forward to the 2019 Fall Festival September 20 and 21. Bring a friend.*

The **Advent and Christmas** seasons were celebrated with the entire school's reenactment of the Holy Family's journey to seek shelter.

The celebration continued as we moved into **Catholic Schools Week**. This year's CSW included a family night talent show where students and families performed together. Service played a vital role in this week as each house picked a charitable organization to adopt and donations were collected to meet the needs of each organization.

The services performed during CSW were an excellent lead in to Lent which brought an intentional added focus on our **Catholic identity**. Students participated in Eucharistic adoration, Stations of the Cross, praying the rosary, and litanies throughout the school day in additional to their personal observances of the season.

Academically the year saw the addition of Lexia Reading and Accelerated Math along with the addition of 30 Chromebooks. Our middle grades are now one-to-one on mobile devices. The academic team advanced to state, 8th grader Mary Margaret Vickers won the State Level Daughters of the American Revolution Essay Contest, and Shaurya Jadhav advanced in Mathcounts to a level of receiving two- four year scholarships; one to the University of Louisville and another to the University of Kentucky.

The HNS PTO had a **Color Fun Run** for the Henderson Community. 400 participants came out for this family fun run event and to support new playground equipment for our school.

Holy Name School Highlights

The HNS playground has been in need of some tender loving care for some time. This year we were able to purchase new equipment and begin work. We thank everyone who assisted with these huge project from the donors to the installers.

The school wrapped up with **graduation** of another successful class and field day.

The 2018-2019 school year demonstrated the tradition of excellence established in 1872, and carried throughout the last 147 years. We look forward to what 2019-2020 has to offer and the creation of more memories at HNS.

Building a Community Through Service

by Ranni Dillard

As disciples of Jesus, we are called to live our faith in the world we move in. There are so many opportunities every day to live our faith through our example. Most of the time we go about life doing small things that speak volumes about our beliefs. Every once in a while, we have a chance to be a part of something big. **September 14** families of Holy Name have an opportunity to live their faith in a big way and make an impact on a whole town.

Holy Name is partnering with Catholic Relief Services and St Edwards Church to host a mission event in Fulton KY. Faced with the many needs in the community, Catholic Relief Services looked for a way to help. It was decided that hosting a picnic was a way to distribute necessities while building a sense of community. Holy Name conducted a bucket shake during Faith Quest and is currently collecting everyday items to meet the needs of the community. You may check the bulletin for a list of items being collected.

We also need adults and families that can give one day of their time. When you are throwing a picnic for a whole town, you need a lot of hands to get the job done. Please mark the date on your calendar and plan on spending the day helping your neighbor in a big way. **Call the parish office to sign up and watch the bulletin for more details.**

Music: We are growing! *by Jenny Mills*

This year's biggest accomplishment in music ministry was our growth in numbers. In the fall we grew to having over 75 people involved in music ministry. We are so grateful to all of our faithful volunteers. If you are looking for a home in this community and music interests you, you are welcome in our program!

An important part of this accomplishment is that we have especially grown our youth music program this year. We now have a high school group as well as a middle school music group. We ran a camp for each age group this summer, and in the fall we will launch a brand new program. Our summer camp experiences, called A New Song, will now be transforming into a continuing youth music training program. This program is open to high school and middle school students and will run every other Wednesday evening starting on August 14 from 6-8pm. If you are a youth who wants to improve your music skills, grow as a leader of sung prayer, or make friends with other music kids this is the place for you!

If you are an adult or a young person interested in anything music related at Holy Name, please contact Jenny Mills at jmills@holynameparish.net.

"Youth News" *by Peyton Hutson*

On the week of Sunday, June 23 Holy Name Youth traveled to Caruthersville, MO for a mission trip with the Glenmary Sisters. We held a vacation bible school in a local park, where the kids learned bible stories and revived undivided attention from our youth. We also repainted a shelter that they use for free lunch meals during the summer. During this experience we also went shopping and re-stocked a Mother's House (a local non-profit that supports needy families with baby supplies, diapers, and children's clothes). While at the Mother's

House we also sorted and organized clothes and other baby items. Our group also assisted by serving the families that came into the Mother's House. We also re-roofed a house that leaked terrible. The group also re-painted parts of the outside of the house, along with major yard work. On this Mission experience there were 5 adults and 21 youth. Thank you to all who donated shares and purchased Reverse Raffle tickets to make this trip possible!

Each year the Diocese Of Owensboro Youth Ministry Office recognizes the outstanding contributions young people make to their parish, community and the diocese with the Student Leaders in Ministry Award. The Diocese Of Owensboro Youth Ministry selects two youth from each deanery, who have demonstrated outstanding service to the Church. The goal is to recognize extraordinary leadership and service to the church. On Saturday, May 04, at 4pm Mass the SLIM Award was given to (left) **Jonathon Hauke** and (right) **Alex Wheeler**.
