Financial Agreement

Welcome... and thank you for choosing us to provide you with the highest quality dental care in a warm, caring environment. It is important to us that you are perfectly comfortable and clear regarding fees, services, or any other concern. Please don't hesitate to ask us to explain anything whatsoever.

Payment

We accept Visa, MasterCard, American Express and Discover. We also offer third party financing through Care Credit (Ask our Financial Coordinator) **We require ½ of your payment initially and ½ upon delivery on all major dental treatments. All remaining portions of dental fees must be paid upon receipt of your statement.**

Regarding Insurance

It's wonderful that you have dental insurance to help cover part of the cost of your dental care. We want to cooperate with you to make the most effective use of your insurance benefits. We accept assignment of insurance benefits. **However, we do require your estimated portion of the bill to be paid at the time of service.** The balance of the account is your responsibility. Your insurance policy is a contract between you and your insurance company. We are not a party to that contract.

Insurance policies vary greatly in their benefits to its patients. Generally, the more you and your employer pay for the insurance, the more the insurance benefits will cover the dental services. Please be aware that some of the services provided may be non-covered services and not considered reasonable and necessary under your insurance plan. It is possible your insurance company will not pay 100% of their stated percentage of the fee.

All of our patients, insured or not, receive the highest quality of dental care and are charged the same fee. Every effort is being made to keep the cost of dental care down; therefore your prompt payment of dental services will be appreciated.

Usual and Customary Fees

Our practice is committed to providing the best treatment for our patients, and we charge what is usual and customary for our area. If you have insurance for which we are not an in-network provider, you are responsible for any remaining fees after the insurance company has made payment.

Missed Appointments

Unless cancelled 24 hours in advance, our policy is to charge for missed appointments at the discretionary rate of the office visit. You may be dismissed from the practice if you, no show or cancel on short notice for 2 appointments without giving 24 hours notice. Please help us serve you better by keeping scheduled appointments.

We hope this clarifies our office procedure regarding payment arrangements. If you have any questions, please feel free to ask our Financial Coordinator.

Thank you for your support and cooperation.
