# Summer time heat

Chapter members across many States, have participated, organized, and self funded many programs : DAV14 is dedicated to providing support that addresses the needs of Veterans

---

Disabled Veterans face many challenges, especially during seasons of outdoor activities.

Outdoor activities can pose mobility obstacles, and hot humid temperatures can increase health problems for Veterans. Preparing for summertime activities will help you beat the heat and enjoy summertime fun!

## Chapter Chaplain

Providing spiritual guidance and support

A chapter chaplain plays a crucial role in the functioning of any organization or group. They provide spiritual guidance and support to members, helping them navigate difficult times and find meaning and purpose in their lives.

The role of a chapter chaplain is to be a source of comfort and support for members, both emotionally and spiritually. They offer a listening ear and a non-judgmental space for members to share their thoughts and feelings. They also provide guidance and advice based on their knowledge of spiritual and religious teachings.

In addition to providing emotional and spiritual support, chapter chaplains can also play a key role in fostering a sense of community within the organization or group. They can lead group prayers, facilitate religious services, and organize events that bring members together.

Chapter chaplains can also be instrumental in helping members navigate difficult times. They can provide counsel and support during times of grief or loss, and help members find the strength and resilience they need to move forward. They can also help members cope with stress and anxiety, and provide guidance and support during times of personal crisis.

Overall, the role of a chapter chaplain is to be a guide and mentor, helping members find meaning and purpose in their lives. They provide emotional and spiritual support, foster a sense of community, and help members navigate difficult times. The importance of chapter chaplain can't be overstated as they play a vital role in the wellbeing of the members and the organization as a whole.

Tailgate Markets WNC:

Henderson County Tailgate Market

Hendersonville Farmers Market

West Asheville Tailgate Market

North Asheville Tailgate Market

East Asheville Tailgate Market

WNC Farmers Market

Tailgate and farmers markets are excellent ways to get fresh grow produce. Tailgates and farmers markets have plenty of quality products to choose from and easier to purchase in bulk for Canning and dehydrating for storing foods.

While time consuming: the experience can be rewarding and when done proper, could reduce food cost while increase food securities

## Travel:

Lake James State Park:

Located in Burke and McDowell counties 50 miles northeast of Asheville, Lake James State Park includes two areas to access this picturesque lake that is perfect for boating, swimming, and fishing. Campsites at both Catawba River and Paddy's Creek accesses provide an opportunity to spend the night by the lake, with some sites accessible only by paddling. Trails include bike trails at Paddy's Creek, the kid-friendly Holly Discovery Trail, the historic Overmountain Victory Trail, and the Fonta Flora State Trail.

# Wellness

Finding New hobby:  
Ideas and opportunities to try

Staying active is an important part to improving health. Service Connected disabilities can make past activities difficult or impossible.

However that doesn't mean one can't find accomplishments in over activities. Maybe by doing so could improve mental health and quality of life.

Start small: Word searches, puzzles, Chess, coloring books, reading (public libraries are great options)

Craft: many require costly equipment

- wood working
- leather working
- sewing
- Planting
- Food
- Martial Arts

## July Awareness Month:

Disability Pride Month

Minority Mental Health Awareness

# Awareness Month: Spotlight

## Minority Mental Health Awareness

Minority Mental Health Month is a time to raise awareness about the unique mental health challenges faced by minority communities and to promote access to mental health care for all.

Mental health is an important issue for all individuals, but it is particularly pressing for minority communities. Studies have shown that minority groups are more likely to experience mental health conditions such as anxiety, depression, and post-traumatic stress disorder (PTSD) due to a variety of factors, including discrimination, poverty, and lack of access to mental health services.

One of the biggest challenges facing minority communities when it comes to mental health is a lack of access to care. Many minority individuals live in areas where there is a shortage of mental health professionals, and they may not have the financial resources to seek out care. Additionally, there is often a cultural stigma around mental health in minority communities, which can prevent individuals from seeking help.

To address these challenges, it is important to promote access to mental health care for all individuals, regardless of their background. This can be done through a variety of strategies, such as increasing funding for mental health services in underserved communities and providing training for mental health professionals to work with diverse populations.

Another important step is to raise awareness about the unique mental health challenges faced by minority communities. This can be done through edu-

cational campaigns and public events that highlight the experiences of minority individuals and the impact of mental health on their lives.

In conclusion, Minority Mental Health Month is an important opportunity to raise awareness about the unique mental health challenges faced by minority communities and to promote access to mental health care for all. By increasing access to care and raising awareness, we can work towards improving the mental health of minority individuals and creating a more inclusive and equitable society.

To make a traditional s'more, you will need the following ingredients:

Graham crackers

Marshmallows

Chocolate bars

Instructions:

Heat a campfire or grill to medium-high heat.

Place a marshmallow on a skewer or long stick and roast it over the fire until it's golden brown and gooey.

Remove the marshmallow from the fire and place it between two graham cracker halves.

Add a piece of chocolate on top of the marshmallow. Press the two graham crackers together, sandwiching the marshmallow and chocolate in between.

Allow the chocolate to melt for a few seconds before biting into the delicious s'more.

Alternatively, you can also make s'mores in the oven, or on a stove top. To make them in the oven, preheat oven to 375°F. Place the graham cracker, chocolate and marshmallow on a baking sheet and bake for about 5-8 minutes, or until the marshmallow is golden brown.

DAV Chapter 14 Legislative Goals:

Call For Action: Local Government to fund:

- Affordable Housing for Disabled Veterans
- Reduced Community College Cost
- Support VAMC Programs

DAV Chapter 14 Legislative Director backed by 750+ Chapter members, that carry the burdens of war and service supporting the readiness of combat actions.

More than 1.3 Million members across this great nation

We urge County and State Representatives to immediately fund projects and programs that reduces economic burdens of high living cost, reduces high cost of higher education, and funding directly supporting programs at VA Medical Centers

DAV14 is dedicated to a single purpose:

Empowering Veterans and their family

# Chapter Quarterly Meeting:

18 July 2023

## Basic BBQ Safety Tips:

Keep your grill clean to prevent grease fires.

Use long-handled utensils to keep your hands away from the heat.

Make sure the grill is in a safe and stable location, away from buildings, trees, and other flammable objects.

Keep a fire extinguisher or a bucket of sand nearby in case of emergency.

Never leave a lit grill unattended.

Use the correct fuel for your grill (e.g. propane for a gas grill, charcoal for a charcoal grill).

Always have proper ventilation when using a grill indoors.

Wear protective gear such as grilling gloves and aprons.

Use a meat thermometer to ensure that meat is cooked to a safe internal temperature.

Allow grill to cool completely before covering or storing.
