

IMPORTANT WARRANTY INFORMATION

Your sleep set is warranted against manufacturing defects in workmanship and material. If you observe a defect, contact the retailer from which you purchased the set. If the store cannot be reached please write directly to the manufacturer at the address below. In either case, you must, within the duration of the warranty, provide proof of purchase (including date of purchase) and be the original purchasing consumer. Your mattress and/or foundation will be repaired or replaced (at our option) with charges as shown on the Mattress 1st warranty schedule, exclusive of transportation and inspection costs. All other claims including incidental or consequential damages are precluded.

If identical materials are not available at the time of repair or replacement, the manufacturer reserves the right to substitute materials of equal quality.

Mattress 1st reserves the right to refuse service and invalidate the warranty when, upon inspection, the sleep set is found to be in an unsanitary condition or when the product failure is caused by factors other than defective workmanship or materials.

Any and all implied warranties on this product shall not exceed in duration the term of this limited warranty. This warranty begins on the day you purchase your sleep set. If your sleep set is repaired or replaced, this limited warranty will not be renewed or extended. Please refer to the Warranty Schedule below to determine the length of your warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply.

This warranty gives you specific legal rights. You may also have other rights, which vary from state to state. This warranty is given by the Mattress 1st manufacturer whose name and address appear on the law label attached to your Mattress 1st product.

We recommend that you examine the law label attached to your Mattress 1st product and record the name and address of the Mattress 1st manufacturer and your warranty code on this warranty card.

This warranty does not apply to products used in hotels, motels, or institutional facilities.

In the unlikely event that you ever have a problem with your Mattress 1st mattress, please contact the store who sold you the set or contact us by mail:

furnfirstforms@gmail.com

The original retailer from which you purchased your Mattress 1st product will handle all warranty claims, returns, and exchanges.

DON'T remove the law tag at the end of your mattress as this has the identification needed to establish your warranty rights.

WARRANTY SCHEDULE

Warranty Code	Total Limited Warranty Periods (in years)	Periods for No Charge repair or replacements (in years)	Repair or replacement charge* After no charge period
W9	10	10	*Not applicable
W1	1	1	*Not applicable

*Exclusive of transportation and inspection charges

The Mattress 1st Warranty covers only the following items during normal wear:

Mattress

- Wires that are loose, broken or protruding through fabric
- Sagging that measures 2" or greater only if the mattress has been continuously supported by a matching foundation (or equivalent) and used with an appropriate frame and center support, or a minimum of 5 cross slats with center support that extends to the floor
- Body impressions 2" or greater

Foundation

- Broken or loose support elements
- Compression or unstapling of support elements
- Broken or loose grid top
- Loose, bent or defective wood beams
- Sagging but only when continuously supported with an appropriate frame with a rigid center support

The Mattress 1st Warranty does not cover items such as, but not limited to:

- Bedding sold "as is," or floor samples, or bedding purchased from second hand parties, non-retail establishments or received as promo item
- Bedding height
- Comfort preference
- Bent perimeter border rods due to moving or bending the sleep set
- Corner Guards
- Fabric stains, soiling or burns
- Replacement of another piece in a sleep set unless it is also defective
- Transportation and inspection costs
- Body impression less than 2"
- Sagging in the mattress that measures less than 2"
- Damage of the mattress or foundation due to abuse
- Mattress damage due to an inappropriate foundation
- Sheet fit
- Mattress fabric

**PLEASE BE ADVISED:
YOUR NEW MATTRESS IS NOT FIRE-PROOF**

Your new mattress meets fire safety standards issued by the U.S. Consumer Product Safety Commission when used by itself or with a foundation specified on the federal law tag attached to the mattress. Compared to older mattresses, your new mattress will, if ignited, burn more slowly and less intensely, giving you more time to escape.

IN ORDER TO REDUCE THE RISK OF FIRE:

- DON'T** smoke in bed. This is a common cause of fatal fires.
- DO** keep matches and lighters away from children.
- DON'T** use candles on or around your bed.
- DO** keep space heaters away from your bed or other flammable items. Follow all manufacturer's instructions and warnings.
- DON'T** run electrical cords under your bed or trap them against a wall. Avoid placing lamps where they can fall on the bed.

IN CASE OF FIRE, EXIT AND THEN CALL 911!

Do's and Don'ts of Bedding Care:

- DO** rotate your mattress as needed.
- DO** use an appropriate frame and center support on queen and king size sets to ensure validation of your warranty.
- DO** let your new sleep set "air out" upon removal from its plastic packaging and dispose of all packaging as soon as possible.
- DO** keep your bedding clean and use a mattress pad. Stains of any kind will void the warranty and make your bedding ineligible for repair or replacement.
- DO** replace the foundation when purchasing a new mattress to provide the proper support for your new mattress.
- DO** carry your mattress upright on its side. Its easier to handle and less likely to damage the mattress. If you need to store your mattress for an extended period, please store flat.
- DO** discard the plastic wrapping on your mattress. A child or pet can become entangled and suffocate.
- DO** promptly dispose of old mattresses to avoid a fire hazard.
- DON'T** bend or jump on your mattress under any circumstances. Such treatment may damage the innerspring unit.
