Grand Knight’s Message

Dan Tisak

Brothers,

“Your love must be sincere. Detest what is evil, cling to what is good. Love one another with the affection of brothers. Anticipate each other in showing respect. Do not grow slack but be fervent in spirit; he whom you serve is the Lord. Rejoice in hope, be patient under trial, persevere in prayer. Look on the needs of the saints as your own; be generous in offering hospitality. Bless your persecutors, bless and do not curse them.” – Romans 12:6-14 – what a great message from Saint Paul for knights and especially Grand Knights! Even so, right outside in our Home Gardens, our forebears have left us a reminder the health of our Catholic fraternal organization rests on the compass of virtue. The compass of virtue always points to Charity. As we stay true to this course, our council will thrive. With your help and God’s grace, may our council enjoy a happy, exciting and fulfilling fraternal year.

2018 Golf Outing

We held our 20th Annual Golf Outing on Monday 6/25/2018 at Bensalem Country Club. Although the number of golfers was down this year, we still had a great time and the weather was great.

A special thank you to all the volunteers and sponsors. A list of sponsors is published here in the Vessel. Let us show our appreciation and give back and support them with visits or use of services whenever possible. Please thank them for their sponsorship support if you do so.

We have some golf shirts left over and are willing to offer them up for purchase by the members. Cost will be \$25.00 per shirt. If you wish to purchase a shirt, please contact John Harrigan at quality921@aol.com. We mainly have large and x-large shirts available.

Past Grand Knight's Message

Dear Brothers,

Now, that my tenure as Grand Knight has come to an end, I'd just like to thank anyone who has helped me or the council in any way during that time.

Your generosity, whether it was financially, or your time or your opinion (pro or con) were all invaluable to making the past two years very blessed for the council in so many ways.

Please, as I will, continue to lend your support. I am sure our new Grand Knight and his officers, of which I am proudly serving as a trustee, will appreciate all the help he can get to make this council the best it can possibly be.

I got far more out of the past two years than I could possibly give.

See you around!

Vivat Jesus!

What are the Five Best 5 Arguments against Euthanasia? According to www.lifenews.com, the Five Best Arguments against Euthanasia are:

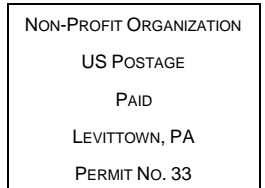

- 1) “slippery slopes”: Despite safeguards for euthanasia in the Netherlands and Belgium, there are data that safeguards are ineffective and violated...Allowing voluntary euthanasia has led to nonvoluntary euthanasia.
- 2) “lack of self-determination”: Many expressions of a desire for death do not mean that a patient wants to euthanasia or assisted suicide.
- 3) “inadequate palliative care”: Holistic knowledge of palliative care is the most urgent ethical obligation of jurisdictions worldwide rather than legalizing PAS-E.
- 4) “medical professionalism”: Doctors assisting in PAS-E threaten the moral integrity of the medical profession.
- 5) “difference between means and ends”: The push for PAS-E confuses the problem of suffering with the life of the person: We must kill the pain and suffering, not the person with the pain and suffering.
