

May 10th, 2018

To Whom it may Concern,

"The PINK" is a Women's Charity Softball Tournament that has been founded to honour the memory of friends in our softball community and elsewhere that have been stricken with cancer. This annual event takes place with the help of many volunteers who believe in and support the fight against Breast Cancer. We hope that we can count on you to support this fundraising effort and help us *strike out Breast Cancer*.

This year, the tournament will take place July 6-8th, 2018 at St Charles Park in Dorval. In addition to the tournament itself, there will be food and beverage kiosks, a silent auction, "Pink Cancer" merchandise for sale and an information booth to raise awareness about women's cancers.

In 2017, we raised \$15,000 in funds over the weekend-long tournament. 10 teams were involved and many spectators came to support the cause. We are very proud of this accomplishment and were happy to donate the funds to the Wellness center at the Breast Center. This year, our target is to raise funds towards an ultrasound machine for use in diagnosis of breast cancer tumors.

We are grateful for the support we receive from many local merchants and individuals and we hope that we can count you among them. There are many ways to donate:

By making a corporate donation directly to the MUHC RVH Foundation in the name of "The Pink" by clicking on the Donate button at this site. Tax receipts are issued by the MUHC Foundation for this type of donation. <https://muhcf.akaraisin.com/Donation/Event/Home.aspx?seid=14645&mid=8&Lang=en-CA>

By donating goods or services that would be auctioned off to the highest bidder in our silent auction.

With a cash donation of \$100, we will include a voucher in our registration package to all participants and volunteers that offers goods/services of your business at a discount.

We can hang your company's banner at the field all weekend long in exchange for a \$100 cash donation.

We invite you to join us as a proud sponsor and help make a difference in our community. Our motto for this event is **"Together we can Strike-Out Cancer!"** We hope you will support us in this worthwhile endeavor.

Sincerely,

The Pink Committee
