

To whom it may concern,

April 22, 2023

“The PINK” is a Women’s Charity Softball Tournament that has been founded to honour the memory of friends that have been impacted by cancer. This annual event is hosted by a large group of deeply committed and generous volunteers.

When: July 7th to 9th, 2023.

Where: St. Charles Park, Dorval, Quebec

In 2022, we raised a spectacular \$61,000 through the support of donations, gifts, supplies, and volunteers. Many players and spectators come to support this important cause and each year we dedicate the funds we raise to the MUHC Breast Center. In addition to our much-anticipated softball games, the tournament features food and beverage kiosks, a silent auction, raffles, and live entertainment by the band The Missing Experience.

We need your help, so we’re reaching out to you in hopes that we can count on you to support our fundraising effort!

Ways to get involved:

- **Corporate Donations:** Make a corporate donation by going to our website www.thepink.ca and clicking on the DONATE button. This will lead you directly to the MUHC Foundation. Tax receipts are issued by the MUHC Foundation for this type of donation.
- **In-Kind Donations:** Do you have something you can provide for our tournament? We appreciate all in-kind donations of gifts that can be used in our raffle or silent auction, food/beverages/supplies for our canteen & BBQ or services (entertainment, professional expertise).
- **Corporate Volunteering Program:** Does your company have a volunteer program? We would be most honoured to have your employees spend some time over the weekend volunteering at kiosks, the auction table, or at the BBQ flipping burgers.

Our motto is “Together we can Strike-Out Cancer!” - we hope you’ll join us in doing so!

Sincerely,

The Pink Committee info@thepink.ca

TOGETHER WE CAN STRIKE-OUT CANCER!
