HORSE CARE 101

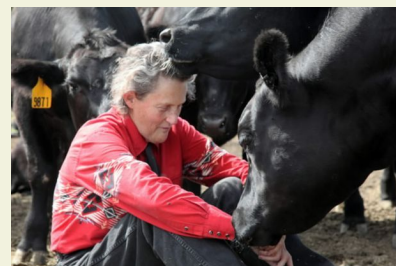

Dr. Temple Grandin to speak at Horse Care 101 Mark Your Calendars - Registration will begin early October

When: December 3, 2016

Where: KSU College of Veterinary Medicine, Frick Auditorium

Our featured speaker this year at Horse Care 101 will be Dr. Temple Grandin! Tickets aren't on sale yet but you'll want to be one of the first 200 to sign up to get prime seating. More information will be released soon on the Kansas Horse Council website, www.kansashorsecouncil.com.

Dr. Grandin is an autistic American professor of animal science at Colorado State University, world-renowned autism spokesperson and consultant to the livestock industry on animal behavior. She is widely celebrated as one of the first individuals on the autism spectrum to publicly share insights from her personal experience of autism. She is also the inventor of the "hug box", a device to calm those on the autism spectrum. In the 2010 Time 100, an annual list of the one hundred most influential people in the world, she was named in the "Heroes" category. She was the subject of the award-winning, semi-biographical film, Temple Grandin.

Equine Disease Communication Center

The Equine Disease Communication Center (EDCC) works to protect horses and the horse industry from the threat of infectious diseases in north America. The communication system is designed to seek and report real time information about disease outbreaks. Visit their site any time to check on the most recent alerts.

The office is housed at the American Association of Equine Practitioners office. EDCC operations are funded by donations through the AAEP Foundation and from a wide variety of industry organizations including the Kansas Horse Council.

Support Back Country Horsemen

If trails are your passion and you'd like to see them kept open into the future through BCHA's many efforts, then please join the BCHA \$5 A Month Club.

The \$5 A Month Club is a grassroots support network. Members of this club pledge to donate \$5 per month to help BCHA grow and prosper. All funds received go to the TRAILS FOREVER FUND, which is used to expand BCHA's resources and programs. \$5.00 is less than most people pay for lunch at their favorite fast food restaurant. Some may even pay that amount for a fancy coffee, or a banana split. Becoming a sustainable supporter of BCHA through the \$5 A Month Club is a small way to help your trails.

ALL DONATIONS FOR THE \$5 A MONTH CLUB ARE TAX DEDUCTIBLE.
