**WANT TO RETURN/ EXCHANGE AN ITEM?**

Ok, no problem. Here's how: First, reference our return policy below and make sure the items to be returned meet all of our criteria. Next, COMPLETE this return form and include it in the box with the items you are returning. Lastly, swing by your local Post Office, UPS or FedEx location to ship your package. We recommend getting a tracking number for your package, as we are not responsible for items that are lost while in-transit to us. Once your package is received, please allow 2-3 business days for return processing. After your return is processed, you will receive a conformation email for your refund or an email containing your credit. Refunds/Credit will reflect the price of the item with any applicable discounts and/or taxes. We do not refund shipping costs.
