Dancers may compete in multiple swing contest categories during the weekend. You may compete or enter a particular contest more than once, but each entry must be at a different level. If you are unable to compete in a different level, you may only compete in the contest once. There is no limit to entries to any division. If there are fewer than five (5) entries in any division, Show Me Showdown reserves the right to combine or cancel that division. Show Me Showdown also reserves the right to have all lead/follow categories run in a heated format in lieu of prelims or spotlight format to facilitate event schedule constraints.

7. WSDC Jack and Jill Rules:

WSDC points will be used to determine the level for all Jack & Jill competitors. Masters may compete in the appropriate WSDC level and in Masters. You may compete as a leader and follower per WSDC guidelines.

Here are details on how it works:

- Leader and Follower points will be tracked separately in Points Registry.
- Competitors qualify for their dance level based on either their Leader or Follower points, whichever is higher.
- Competitors are allowed to compete in their non-dominant role one level down if they do not qualify in both for the same division. HOWEVER - Competitors with no/limited competition success in their secondary role may submit a petition to dance one (1) additional level down in that role.
- Competitors will not be permitted to dance both roles in the same division.
- Competitors with points in both their primary and secondary roles at the same skill level must select only one (1) role to compete in (either their primary or secondary role) for that event's skill level contest.

Competitors – please contact points@worldsdc.com if any points are/were incorrectly allocated to the wrong role in the system.

8. Qualification for Newcomer Dancers: Designed for the dancer that is BRAND NEW to competition. This division is not open to all levels.

9. Lifts, Drops, and Aerials:

Lifts, drops and aerials are allowed in Show Me Showdown's routine divisions (rising star and pro-am routines). Drops that are considered 'safe' and that work within the realm of 'lead/follow' are allowed in the Advanced, All-Star, and Masters divisions of Jack and Jill and Strictly Swing ONLY.

Definition of a LIFT: That point when both feet are off the ground, and weight is not self-supported.

Definition of an AERIAL: The point at which one partner is off the ground due to the other partner and not maintaining contact with their partner.

Definition of a DROP: The point at which the head goes below your partner's waist and weight is not self-supported.

10. All rules will be strictly enforced: Scoring and penalties will be at the discretion of each individual judge.

Appropriate Behavior and Dress Code:

It is the desire of the Organizer to encourage expressive and exciting dance performances without sacrificing quality of dancing and good taste. To encourage this balance, any action that the judges

believe would make them uncomfortable in a social dance setting (such as wearing inappropriate attire or showing disrespect toward one's partner, other dancers, or the event) is prohibited. Competitors should check with the Chief Judge in advance if they have questions regarding the acceptability of their routine/competition attire.

Responsibilities of Competitors

1. **Planning:** Competitors should check the weekend schedule in advance to arrive in time to meet registration deadlines. They should bring appropriate competition attire. They should also plan to be on time for competitions. Competitors are responsible for checking at the event for any changes to previously announced schedules, which are always subject to change.
2. **Knowing the Rules:** All competitors should read these rules carefully prior to competing. Competitors are responsible for adhering to these rules whether they have read them or not. Questions about the rules should be addressed in advance to the Organizer and/or the Chief Judge.
3. **Being Prepared to Compete:** Competitors should be present in the ballroom at least 15 minutes prior to the start of their competition. Any change in partnership for the couple's Competitions may require an additional entry fee as well as a new entry form and waiver.
4. **Demonstrating Good Sporting Conduct:** Competitors must always demonstrate good sporting conduct, both on and off the competition floor. Competitors may not speak to judges regarding their placements or scores until after the awards have been given. It is bad sportsmanship to badger or argue with judges about placements and scores. Competitors must also refrain from any behavior that the judges deem inappropriate. Failure to adhere to this code of behavior may result in disqualification.

Petitions for Reclassification

It is the Organizer's goal to encourage all competitors to assign themselves to a fair and appropriate classification using the honor system. If competitors feel uncomfortable with their assigned classification, they may petition for reclassification on their entry form by providing a brief, written explanation of the reason(s) for their request. Competitors must submit such petitions at the contest registration desk prior to the earliest registration deadline for the competition(s) in question. Petitions for reclassification will be reviewed by the Chief Judge, in consultation with the Organizer, and contestants will be notified as quickly as possible of the outcome.

Changes to These Rules

The Organizer will make every effort to conduct all competitions in accordance with these rules. However, the Organizer reserves the right to make any changes in schedule/format deemed necessary for any competition.
