

VOLUNTEER

AGREEMENT

Every Dover Patriot family will be required to work 6 shifts per child registered with the Patriots organization. 4 shifts must be done on game days. The other 2 can be done on games or practice night. Your game day shift is normally the game prior to your child's game. We provide approximate starts and end times but games do start early and run late. You are responsible to work the entire shift. We make every effort to work with parents that have multiple participants as we don't want you to miss your child's participation.

Please initial each line below

____ Each family is responsible for signing up for their own hours.

____ It is the responsibility of each family to show up to their scheduled work day/time

____ Please arrive 15 minutes prior to your shift to allow ease of the changing in shifts and explanation of any details that may be necessary
