LEGION OPENS ITS DOORS TO YANKS IN VIET Action Requires Congress O. K.

BY ALDO BECKMAN
(Pictures on back page)

[Chicago Tribune Press Service]
Washington, Aug. 30 — The American Legion today voted unanimously to open its membership to Viet Nam veterans and all service men who have served since Aug. 5, 1964.

The resolution was read to delegates at the opening day business meeting of the national convention by Judge Alfonse Wells, Circuit Court of Cook county, Ill., who is chairman of the resolutions committee.

The only opposition came during committee hearings from Legionnaires who argued that the new date should be set by Congress. There was no opposition to the admitting of Viet Nam veterans.

First Day of Retaliation

The August date was selected because that was the day American forces retaliated against torpedo boat attacks on two United States destroyers in the Gulf of Tonkin by bombing shore batteries and naval installations in North Viet Nam.

Before today's action, only veterans who served on or before July 27, 1953, the date of the Korean armistice, were eligible for American Legion membership.

L. Eldon James, the national commander, told the 8,300 delegates in the District of Columbia armory that their action was "one of historical significance in the history of the Legion."

Needs Congress O. K.

Congress must amend the Legion's charter before the resolution becomes official policy, but a number of senators introduced the legislation shortly after the resolution was adopted. Congressional approval is considered a certainty.

Shortly before the resolution

Legion Ranks Opened to Viet Veterans

Local men are reminded by Dr. S. C. Liedman, commander of the American Legion Post in Morris, that the American Legion membership ranks have been opened to the current generation of Viet Nam veterans.

In quick action by the Congress and President Lyndon B. Johnson, the amendment proposed by the legion's national convention was acted upon and in effect within 48 hours.

The legion's charter is now amended to make eligible the men and women of the armed services who have been honorably discharged who served on active duty from Aug. 5, 1964, until "the cessation of hostilities as determined by the government of the United States."

Other periods of service for American Legion membership are: April 6, 1917 to Nov. 11, 1918 (World War I); Dec. 7, 1941, to Sept. 2, 1945 (World War II); and June 25, 1950, to July 27, 1953 (Korean War).

was adopted, James presented the American Legion distinguished service award to Capt. Roger Donlon, the first American to receive the congressional medal of honor for bravery during battle in Viet Nam.

Vice President Humphrey told the commander's dinner tonight that he can "see no immediate end to our struggle in Viet Nam," and "we must be prepared for many hard days ahead." He said that "if we are to remain alive . . . we have no choice but to hold our course and see it thru in Viet Nam."

Legion Admits First Veteran of War in Viet

BY ALDO BECKMAN
(Chicago Tribune Press Service)

Washington, Sept. 1 — The American Legion ended its national convention here today by indorsing American policy in Viet Nam and by admitting the first Viet Nam veteran as a member.

One of the last acts of the week-long convention was the swearing in of Gordon Saffold, 23, of Saltville, Va., who spent three years in the army, four months of which were spent in Saigon as a radio operator.

Saffold, who was chosen as the first because he was the first man to apply last night after learning of the Legion action opening membership to Viet Nam veterans, was sworn in a few minutes after President Johnson signed the bill, officially opening the Legion to men who have served since Aug. 5, 1964.

Johnson Speaks of Unity

In a White House ceremony, Johnson told 40 Legionnaires that "the struggle for freedom in Viet Nam today is as important as any conflict in which our countrymen have ever engaged."

He said the swift action of Congress in amending the Legion charter after the Legion voted to admit Viet Nam veterans has "made our stand of unity completely clear" to anyone who might question United States determination to remain in Viet Nam.

Among those present for the signing were army Capt. Roger Donlon, the first medal of honor winner in Viet Nam, who attended the Legion convention as an honored guest to receive its highest award, the Legion distinguished service award.

New Chief Elected

Also present were L. Eldon James, last year's Legion commander, and his successor, John E. Davis, former North Dakota governor, who was elected national commander by acclamation a few minutes before the White House ceremony.

Davis, 53, was an army officer in Europe during World War II and received four battle stars. For his one year as commander, he will receive \$25,000 and an unlimited expense account.

voice Heard. The voice of the single veteran is not heard, but the voice of millions of veterans in the American Legion is heard and needed.

A square deal for every child is the basis of The American Legion's Child Welfare Program.

"Nineteen centuries has come and gone since the birth of the Christ Child and today He is more than ever the Centerpiece of the human race and the Leader of progress. All of the Armies that have ever marched, all the navies that have ever sailed, and all the governments that have ever governed have not effected the life of man as powerfully as has that one solitary man.

"Today young Americans dedicated to these ideals are fighting and dying in Vietnam to keep the torch of freedom alive. Whether we spend the holy season with loved ones or alone let us unite as one in a prayer for an early peace and brighter tomorrow." From American Legion National Commander John E. Davis' Christmas message to patients in VA hospitals.

American Legion's 48th Birthday Will be Observed by Morris Post

American Legionnaires of Morris, Post No. 294 will join in observing the American Legion's 48th anniversary with a special celebration at 6:30 p.m. April 1.

There will be celebrants in more than 16,000 American Legion posts throughout the nation and overseas. This year's observance is the Legion's first as an organization of four generations of war veterans.

Its founders were representatives of the various outfits which made up the American Expeditionary Force. The organization now consists of veterans of World War I, World War II, the Korean War and the Vietnam War.

Commander Elmer McKibben reported that a committee, headed by Lee Gibson, has been appointed to take care of all arrangements for the anniversary celebration. The Morris Post 294 wishes to extend an invitation to all members for the dinner and dance.

Guest speaker will be senior

vice commander Russell Bieritz of the Illinois Department American Legion. Several other state officers have been invited. The Morris Post will also honor charter members.

Tickets are on sale at the Post or from committee members. Reservations should be called in to the clubroom before Thursday, March 30.

As part of its preparation for the gala birthday observance, the local Legion post is putting the finishing touches on its 1967 membership drive and is issuing a special invitation to veterans of the Vietnam era.

The book, just off the press, is the story of what individuals have done in a free society. The author tells a very human story and gives a thorough and entertaining account of the American Legion and its role in the nation's progress during the Twentieth Century.

The Americanism officer was authorized to have the "American Legion Magazine" sent to libraries and public institutions at his discretion.

Junior Vice Commander Les Enger presided at the meeting. The group decided to contribute \$25 to the "Gift to Yanks" program or a gift for every hospitalized veterans from this area at Christmas.

Each child in the 12th District cottage at the Illinois Soldiers and Sailors Home in Normal will receive \$5 from the post.

The Legion will obtain hospitality cards from the department for all Viet Nam veterans and all service men just going in.

Two Named to Boys State From MCHS

Two Morris Community High School juniors have been named to attend American Legion Premier Boys State June 19-23 in Springfield.

They are David Hartmann, son of Mr. and Mrs. Earl Hartmann, 417 W. Jefferson St. and

HARTMANN BRUDER

John Bruder, son of Mr. and Mrs. Carrel Bruder, Rt. 1, Morris.

John Trucano, son of Mr. and Mrs. Peter J. Trucano of 822 East St., will serve as an alternate delegate. He too is a junior.

Hartmann, currently a junior class representative, in March was elected president of next year's student council. Bruder is president of the junior class.

The local delegates are sponsored by Morris Post 294 of the American Legion.

Although chosen several months ago by the high school faculty from nominations made by juniors, the three nominees were only accepted recently.

The purpose of Boys State which dates back to 1934, is three-fold:

To plan for training in the functional aspects of citizenship.

To serve as a program sponsored by the American Legion of the Department of Illinois.

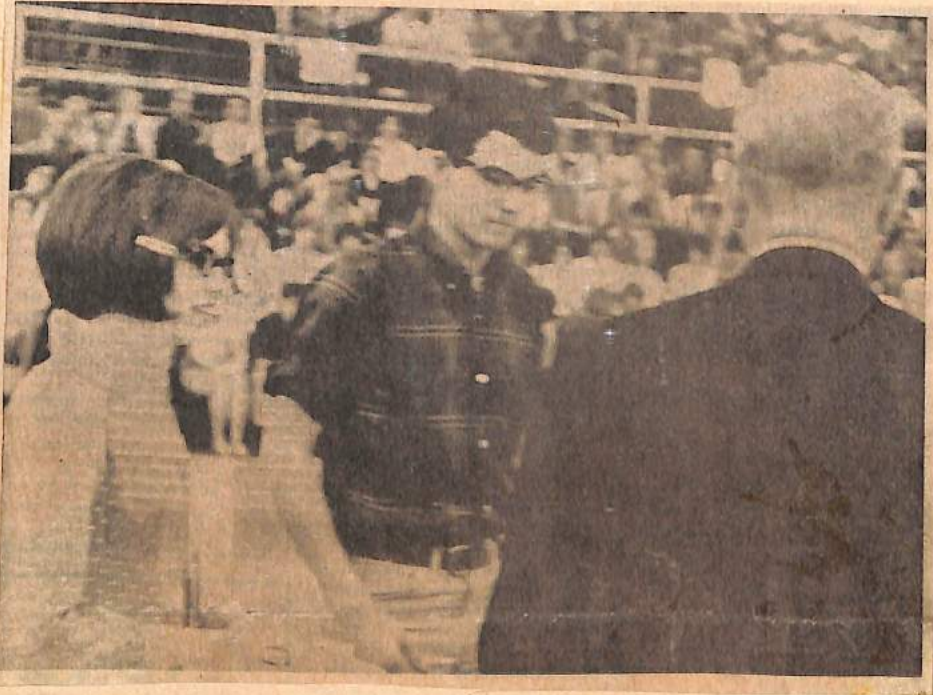

To teach the youth of today the American form of government.

It also attempts to show that this form of government has not outworn its usefulness and that only democracy needs an intelligent citizenry to a clean, honest and impartial administration responsible to the will of the people.

Citizens of Boys State will be required to perform functions of real officeholders in the everyday world.

They will organize their own city, county and state governments; choose their own officers; record and regulate election procedures; and learn the duties of the various officers.

POST MEETINGS---

How long has it been since you last attended a regular Post Meeting ? At our most recent meeting there were 12 members present--Just 2 over the minimum for a meeting. This Post offers much more to it's members and to the Community than do many other Posts in the United States. We could even offer much more if we had a greater participation by more of the members. We could once again have a Sons of The American Legion group have Family nights with Pot-Luck Suppers and games, we could revive our lagging Junior Legion baseball program, we could support a bowling team, we could do a lot of things ! Look in the mirror and ask yourself; "Is this the same Yank that fought to preserve freedom in World War I ?, World War II ? Korean Conflict ? and now in Viet Nam ?? Surely I could leave the T V set and my comfortable chair just for 2 nights a month to attend a regular Post Meeting. Circle the first and third Thursdays on your calendar now. Come to meetings and help make your Post an active one.

MEMBERSHIP--- As this is written, our paid up membership for 1969 is 92% of last year. In numbers, that is 483. Last year's membership was 525, so we have only 42 members to go to be 100%. Second notices have been sent to those who have not paid their 1969 dues. Membership is the backbone of any organization whether all of the dues-paying members are active or not. Of course, we want you to be active, and there is a spot for you in the American Legion programs. (More below). PAY THOSE 1969 DUES NOW!!!

50th ANNIVERSARY OF THE AMERICAN LEGION--- March 15th marks the fiftieth birthday of The American Legion. Flags will be displayed in the business district on that day, and all Legion members are asked to fly their flags and encourage their friends and neighbors to fly theirs. A special Birthday dance will be held at the Club Room that night but the birthday dinner will have been held on Saturday, Feb. 22nd.

POST SPONSORED ACTIVITIES--- The following is a partial list of the activities that the local Post sponsors:

Child Welfare	Americanism	Boy Scouts	Junior Legion Baseball
School Awards	Boys' State	U.S. Flag Kits	Display of U.S. Flags
Memorial Day Program	Veterans' Day Program	Support of Viet Veterans	

If you have not done your fair share, get in on one of these programs. You will be amazed at how much the American Legion can mean to you. If you think that we should be sponsoring other programs, come to the meetings and make yourself heard.

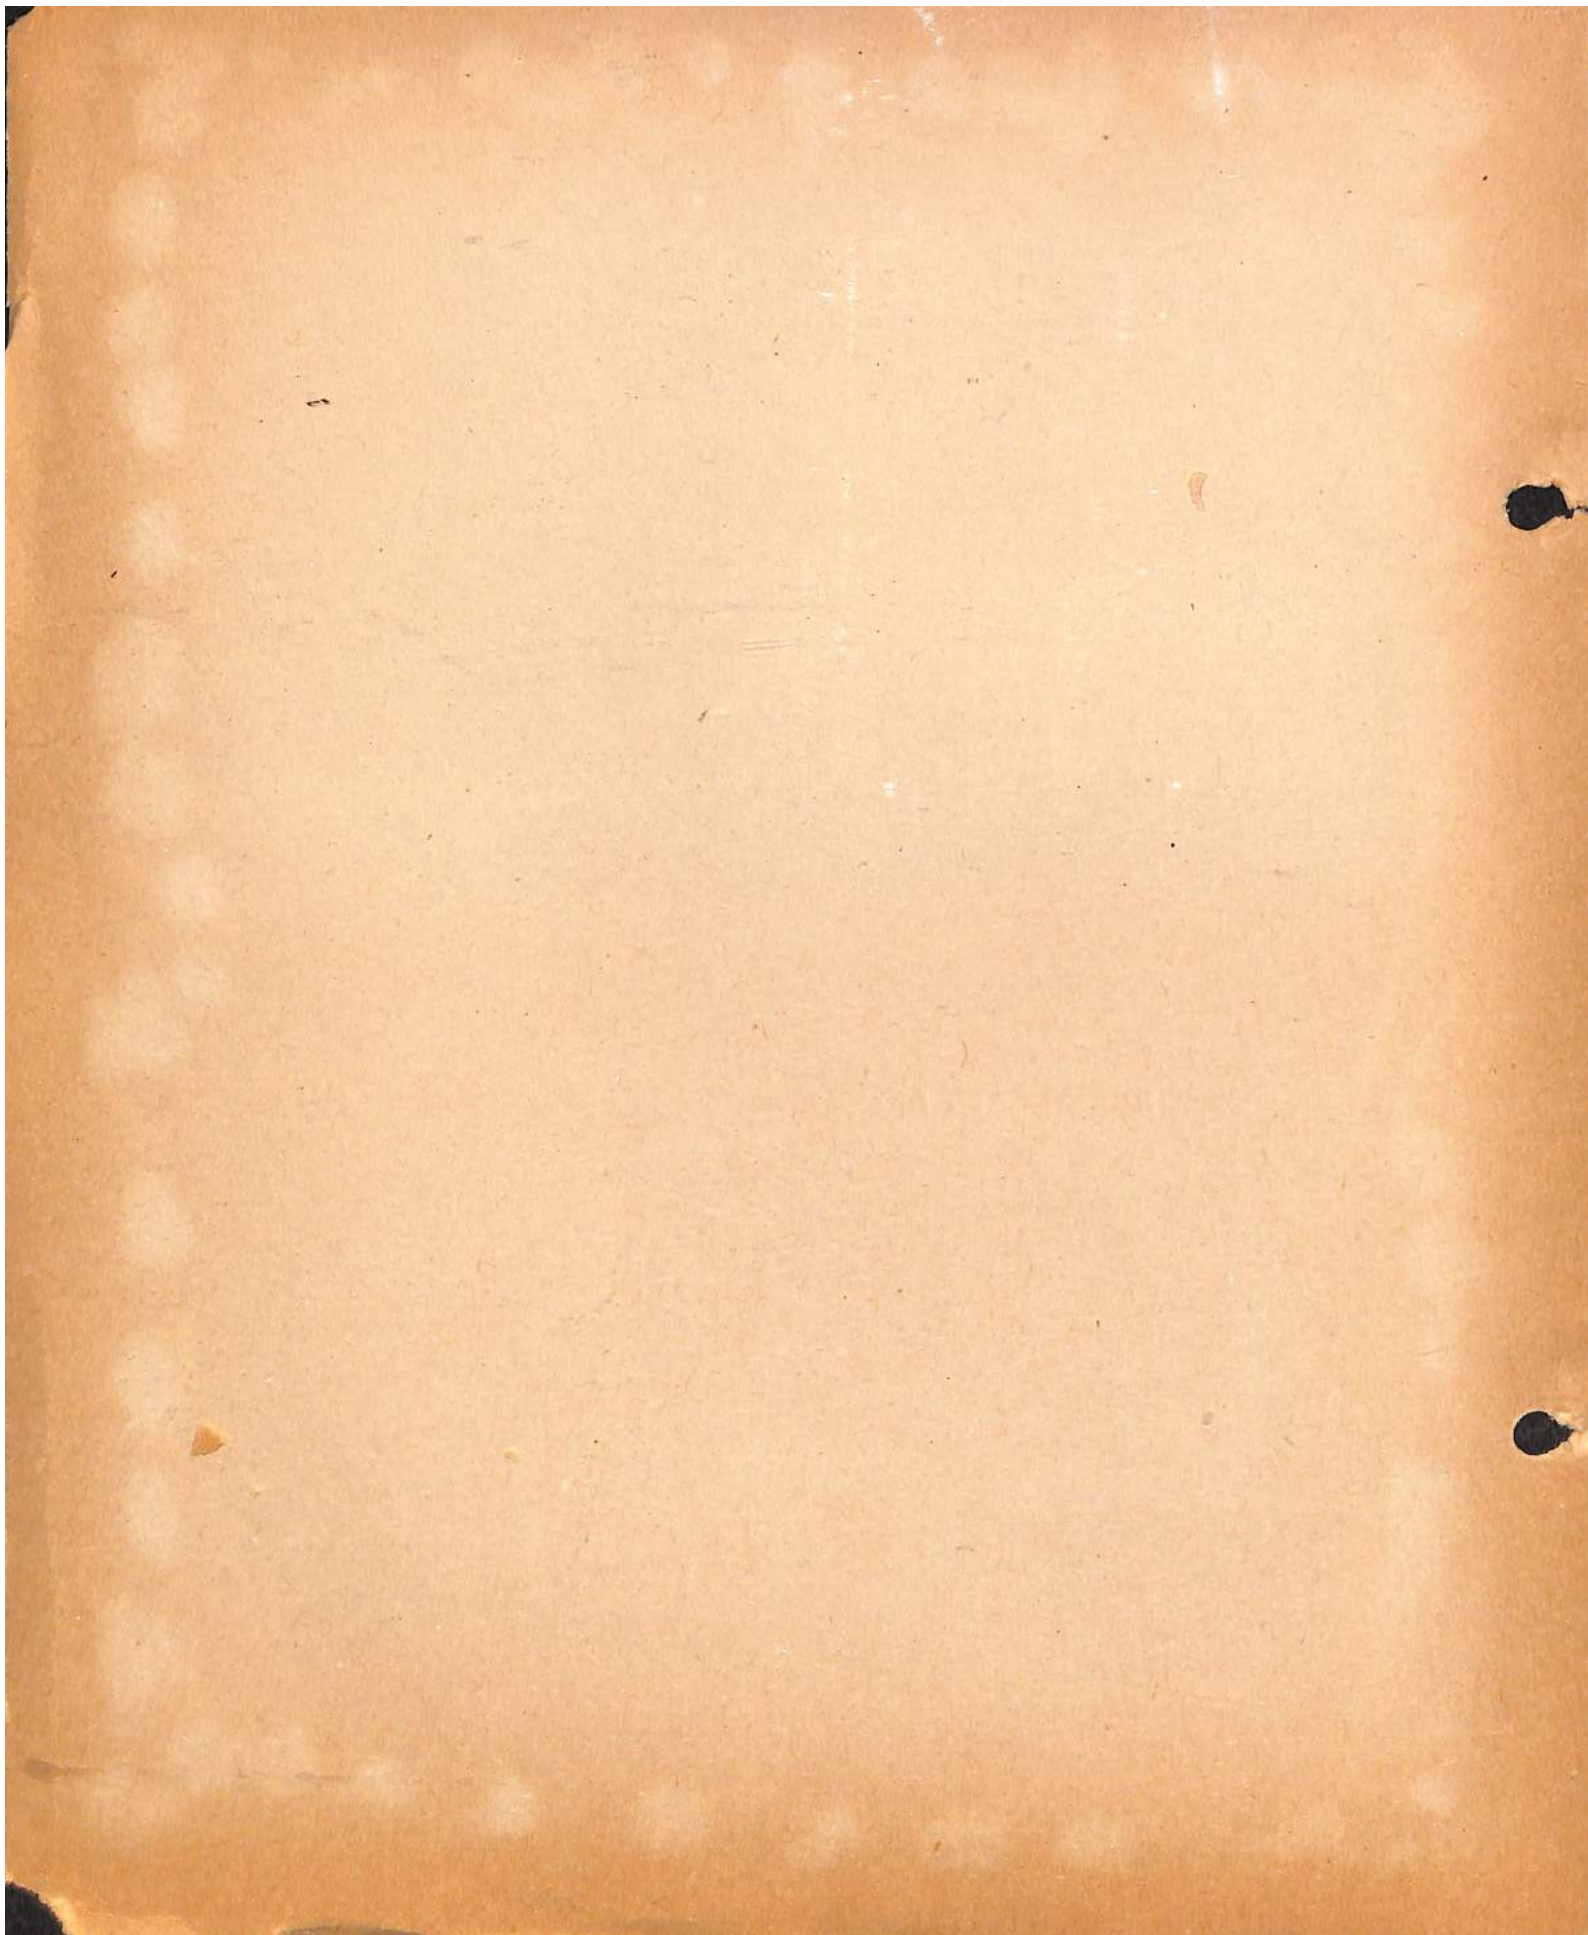

AMERICANISM MONTH--- February is Americanism month. It is the month of the birthdays of two of our most honored and revered presidents- Lincoln and Washington. The flags will be put up early Feb. 12th by three Legionnaires. Arrangements are being made to have the merchants who own the flags take them down at sundown, and then put the flags up each day, except possibly Sunday, until Feb 22nd (Washington's Birthday) when the Boy Scouts will take the flags down and return them to city hall for storage. If you are the owner of one or more of these flags, please cooperate by taking the flag down and displaying it for ten days between Feb. 12 and Feb. 22nd.

INITIATION OF NEW MEMBERS--- Plans are being made to initiate all new members plus any members who have never been initiated into the American Legion on Thursday, April 3rd. We plan to secure the services of a visiting initiation team from the Granville, Illinois Post. A lunch will be served following the ceremonial meeting.

IN-SERVICE STAR BANNERS--- Last October our post started a project to give each family of a son or daughter in the military service a red, white, and blue banner with a star on it to be displayed in the family's window. We have been only partially successful in getting these banners to the deserving families. Will you help make this project a success by informing such families of the project and by telling them that they may get the banners at our Legion Post Home, 212 West Washington Street, Morris, Ill.

GIRLS' STATE BENEFIT PARTY--- The American Legion Auxiliary will hold a party at the Legion Hall on Tuesday, March 11th at 7:30pm, to raise money to send a local girl to Girls' State next June. GRUNDY COUNTY MEETING- Thursday, April 17th at 8pm, the county meeting will be held at our post home. Following the business meeting, films on outdoor sports will be shown. After the films, there will be free lunch and free draft beer. This will be wonderful opportunity to meet some of our Grundy County friends and display our Morris hospitality.

MEMBERSHIP IS OVER 100%- On March 1st the 525th member was signed up for 1969. This equaled last year's total. Since March 1st we have increased the membership to 530 paid up members.

DELINQUENT MEMBERS- Those who have not paid their 1969 dues by April 1st are delinquent and are suspended from all American Legion activities. No magazine, no participation in post activities, and no use of the clubroom facilities. Every eligible veteran should belong to a veterans' organization! PAY UP!

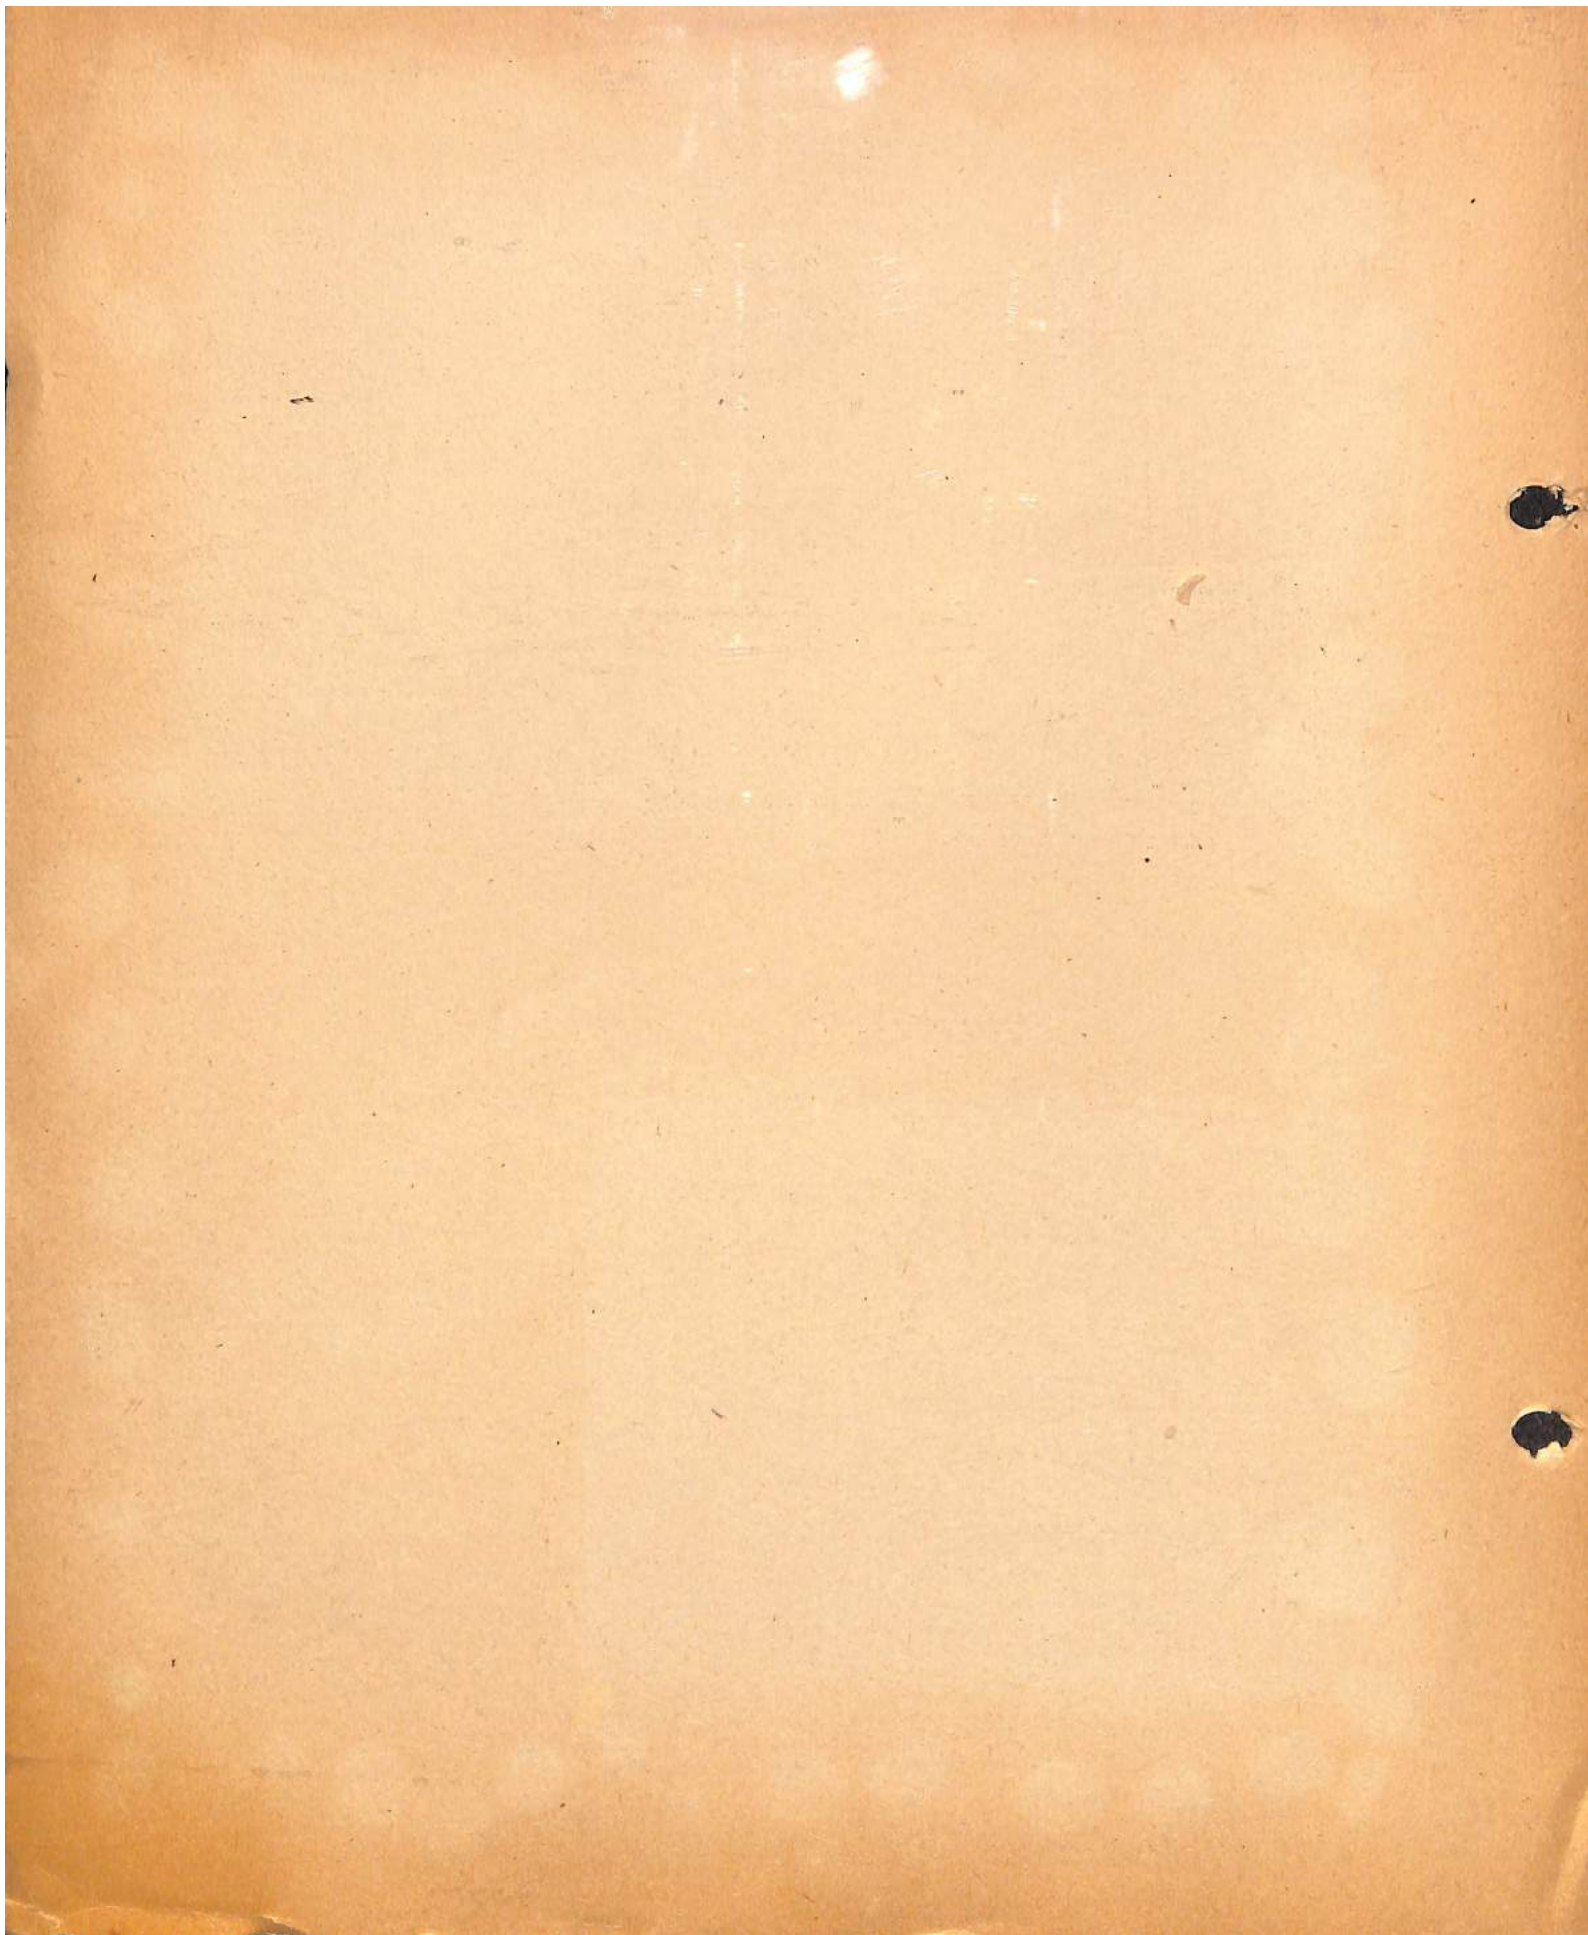

VIET-TIME VETERAN SERVICE- If the AMERICAN LEGION is to live up to its name and reputation as the leading organization serving Veterans, then all of us must get down to business and work on our VIET-TIME VETERAN SERVICE CONTACT PROGRAM. The time for fine sounding words, speeches, and "verbal back-patting" is long past. IF we, as active members, are going to live up to our obligation, as Legionnaires, stated so plainly in our PREAMBLE, then it is time for us, not someone else, to go to our Post Adjutant and volunteer to serve on the POST VIET-TIME VETERAN SERVICE TEAM! (You guys read it right, the word is VOLUNTEER - it means to offer your service of your own free will.) Helping these young Veterans to become aware of their many benefits and showing them where to go to apply for same is a most rewarding experience, in itself. It is even more rewarding, when, after the Veteran is made aware of his benefits, he becomes a part of Our American Legion. Treat yourself to the satisfaction of being able to say, "I volunteer to help the Viet-Time Vet!"

COMMEMORATIVE STAMP- honoring the 50th Anniversary of The American Legion was first issued in Washington, D.C. by the postal Department on March 15th. On Monday, March 17th, the stamps became available at the Morris Post Office at which time Commander Frank Kuntz purchase the first sheet of stamps and presented them to Mr. Harry Leach, the first commander of the Morris Post. In addition, \$100.00 worth of the commemorative stamps were purchased to be used this year on all correspondence leaving our office.

CLUBROOM REMODELING- The Club Room Committee has met several times to discuss redecorating improvements in the clubroom. Several suggestions presented by Mr. Joe Corsello have been accepted, and bids are being received on the work.

Is celebrated in memory of the day in 1777 when the Continental Congress adopted the Stars and Stripes as the official flag of the U.S. Flag Day was first officially observed in 1877 to celebrate the 100th anniversary of the selection of the Flag. In his proclamation issued on May 30, 1916, President Woodrow Wilson established Flag Day as an annual national celebration.
