Now ask if vagina hold is perfect?

Now ask if rim size is perfect?

Now ask if hold is perfect?

Now ask if a dress has the perfect fit [dress is vaginal tunnel]

Now spread your legs [woman]

Now tilt your head to your left and curse.

Instantly now change tilt to right side and fully spread the clit hood leaving all clit out.

Say:

Is that all [asking a question if clit can open further]

Slap your groin gently.

Bigger clit is better.

Now ask if the squanks are ready.

Ask all in order.

Squanks 1 are you ready?

Squanks 2 are you ready.

Squanks 3 are you ready.

Squanks 4 are you ready.

Squanks 5 are you ready.

Squanks 6 are you ready.

Squanks 7 are you ready.

Now say don't stop until I say so ok.

Or until slap activates the clit spark plugs, ok?

Now finger your vagina touching the rims left to right until things start tensing.

Now say activate all spark plugs hidden or exposed.

Now talk to each other and do what you do best.

Now ask what is missing?

Then say add everything in right proportions to the recipe I want the best.

[Here you can add any 'flavourings' naming vagina rim sizes by code, fetishes, fantasies, likings etc. Just say add the following codes to the recipe where you see fit. Check for codes through the book and make a list.

Say:

Add the following codes.

728598761dot77856321dot7277483818dot727786532  
8dot7277859278dot7277854193dotstart

Put a dot between each code and when all added finish  
with dotstart.

Now slap your clitoris gently and progressively harder as  
things tense.

Now ask how come.

Now ask what if

Now say if I then what

Now ask what if I come then what.

Now ask what if I can't you restart.

Now ask what is if then.

Now ask who if not me

Now say as I say so be it.

Now retreat your hand and wait.

Wait 3 seconds [simply count 1,2,3] Now say activate  
everything.

If I, will you?

All squanks must coordinaste

All squanks must act together.

Say:

Tighter tighter

Now ask what's missing?

Then tilt head to the left side.

Look left side with corner of eyes.

Now look right side

Now say oh nothing is missing all are here.

But now tilt your head to the right side

Caress your vagina.

If you can suck your own tits do so

Say:

I didn't know everything is ready and pause.

Now say what are you waiting for?

I thought you knew.

Then stop talking to yourself silently.

[just enjoy]

Now say:

Slap my clitoris spark plugs.

Now fully open your clit.

Slap your clit gently first to activate the clit spark plugs  
and wait.
