Assemble in minutes, in 2 easy steps

Machined with Precision and High Quality, for a perfect and simple assembly

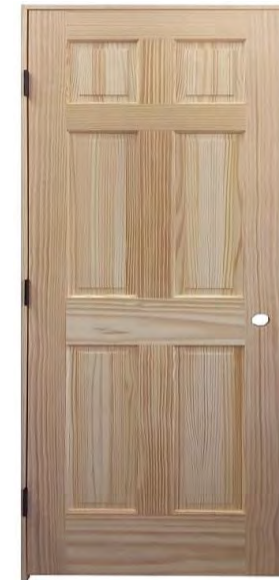

Once door frame is square, just install into opening.

After jambs and door assembly, striker hole will align with strike plate.

**I**  
Attach the header to the side jambs with the supplied 3 screws per side and into the predrilled holes.

**II**  
Slide the 3 hinges pins back into position after interlocking the door and jamb hinges parts.
