

INSTALLATION TECHNICIAN

ABOUT US

AMK Services is looking for talented and motivated individuals who wish to have a career in the Private Radio industry. We provide and service vital infrastructure of communication systems used by Police, Fire, EMA and 9-1-1 Communications Centers, in addition to the Energy Industry, Military and more. AMK personnel install, maintain and design IP-based Land Mobile Radio, Microwave/Fiber Optic Network, Emergency Dispatching, and Video Surveillance Systems, as well as many new, cutting-edge technologies.

We provide formal training as well as extensive on-the-job training and offers a position that will be based out of our Lexington, KY or Fishers, IN offices. AMK Services also provides you the opportunity to travel throughout the United States.

We offer full benefits, exciting travel opportunities and the chance to have a lifetime career working with Land Mobile Radio systems throughout the area as well as the US and Canada.

FOR YOUR START TO AN EXCITING CAREER, PLEASE CONTACT US AT EMPLOYMENT@AMK-SERVICES.COM OR CALL US AT 317-231-5631
