Coachella returns for its second weekend starting today (April 22). The festival's last run of 2022 will take place from April 22 to 24. Harry Styles, Billie Eilish, and the Weeknd with Swedish House Mafia are this year's headliners. In addition to the headliners, the slightly reduced livestream schedule for Weekend 2 includes Phoebe Bridgers, Doja Cat, Baby Keem, Flume, Jamie xx, and Brockhampton's reputed final set. See the full livestream schedule, and watch it all happen, below, starting from 5 p.m. Pacific on April 22.

Channel 1 will mostly air in the Coachella Curated format, which combines festival footage with interviews and

mini-documentaries. There are two bonus channels, too.
